Racing breathlessly from uncharted CIA prisons to the skyscrapers of Dubai, from stormbeaten oil rigs off the African coast to the ancient caverns beneath the city of Naples, Marc Dane returns in *Exile*, the explosive thriller from James Swallow, the internationally bestselling author of *Nomad*. A vicious Serbian gang whose profits come from fake nuclear weapons. A disgraced Russian general, with access to the real thing. A vengeful Somali warlord, with a cause for which he'd let the world burn. A jaded government agency, without the information to stop him. Only one man sees what's coming. And even he might not be able to prevent it . . . At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. **Battle-Captain. Knight Errant. Agentia Primus. Hero.** Nathaniel Garro's journey through the *Horus Heresy* has been long and hard - this is his story. From out of the shadows of the Silent War, a new hero emerges. Clad all in grey, an errant warrior of the *Legiones Astartes* kneels before the Regent of Terra and accepts a solemn new duty - **Battle-Captain Garro**, once commander of the *Eisenstein*, is now *Agentia Primus* of *Malcador the Sigillite*. From the desolation of *Isstvan* to the halls of the Imperial Palace itself, Garro stands as a paragon of loyalty and protector of the innocent, ever ready to strike back at the traitorous allies of the Warmaster. But he is walking a dangerous path of his own, one that may lead him to question his place in the Imperium... and what if he, too, should falter? The latest *Horus Heresy* novel *There is war on Signus Prime*; *Horus* sends the *Blood Angels* to the *Signus* system, where an army of *Khornate* daemons waits for them. The Warmaster's plan is to use the flaw in the *Blood Angels*' gene-seed - which will later be known as the *Red Thirst* - to turn them to the worship of the *Blood God*. At the height of the battle, *Sanguinius* fights with the *Bloodthirster Ka'Bandha*. The *Blood Angels* fight for survival of thier minds and bodies **Legendary agent Sam Fisher** teams up with a new NSA recruit - his own daughter - to save the world in this gripping new thriller from the renowned *Tom Clancy's Splinter Cell®* videogame universe **Veteran Fourth Echelon agent Sam Fisher** has a new mission recruiting and training the next generation of *Splinter Cell* operatives for the NSA's covert action division, including his daughter Sarah. But when a lethal assassin from Fisher's past returns from the dead on a mission of murder, father and daughter are thrust into a race against time as a sinister threat to global security is revealed. A dangerous cyberwarfare technology known as *Gordian Sword* - capable of crashing airliners, destroying computer networks and plunging entire cities into darkness - is being auctioned off to whichever rogue state makes the highest bid. Sam and Sarah must call on their very singular set of skills to neutralize *Gordian Sword* and stop the weapon falling into the wrong hands - at any cost... The peace and quiet of a remote homestead in the 1880s American West is shattered by the arrival of two shadowy outriders searching for 'the healer'. When the farmer refuses to help them, they raze the house to the ground using guns that shoot bolts of energy instead of bullets... In the town of *Redwater*, the *Doctor* and *Martha* learn of a snake-oil salesman who's patent medicines actually cure his patient. But when the *Doctor* and *Martha* investigate they discover the truth is stranger, and far more dangerous. Caught between the law of the gun and the deadly plans of intergalactic mercenaries, the *Doctor* and *Martha* are about to discover just how wild the West can become... Featuring the Tenth *Doctor* and *Martha* as played by *David Tennant* and *Freema Agyeman* in the hit *Doctor Who* series from BBC Television. When a dangerous psychic terrorist escapes

from their custody, the *Sisters of Battle* not only have to hunt down and recapture him, but also need to restore their honour in the eyes of their superiors. "A deadly attack against an MI6 team leaves Agent Marc Dane the only survivor--along with evidence framing him as the perpetrator. Forced to go on the run, Dane races against time to uncover the truth behind the attack and clear his name. With no one left to trust, Dane must rely on the elusive *Rubicon Group* and their highly skilled operative, ex-U.S. Army *Lucy Keyes*. A terrorist attack is coming, one bigger and deadlier than has ever been seen before. With the eyes of the security establishment elsewhere, only *Keyes* and *Dane* can stop the attack before it's too late." -- Dust jacket. **ILLUMINATE THE SHADOWS** The year is 2029, and the shining promise of a new age of human augmentation is in ruins in the wake of the devastating 'Aug Incident' - a horrific catastrophe triggered by a cabal of shadowy power brokers, where millions of cybernetically-enhanced people suffered a forced psychotic break. Awakening in the aftermath of a changed world, with gaps in his memories and suspicion on all sides, augmented ex-cop and former security operative *Adam Jensen* struggles to piece his life back together, in a new reality where 'Augs' have become the targets of hatred, fear and violent discrimination. Now the dark forces behind the Incident are gathering once again, reaching out to manipulate the course of global events through terror and intimidation. To find the answers that he seeks and the people who destroyed everything he knew, *Jensen* must return to the ashes of the past, reconnect with old allies, and risk all to expose a deadly conspiracy - but in a world shattered by secrets, can the truth be brought into the light? A brand-new official *Deus Ex* novel, bridging events between *Deus Ex: Human Revolution* and the brand-new game *Deus Ex: Mankind Divided*. A thrilling untold adventure based on the acclaimed *Star Trek: Picard* TV series! The *Alpha Quadrant* is mired in crisis. Within the *United Federation of Planets*, a terrorist strike on the shipyards of *Mars* has led to the shutdown of all relief efforts for millions of *Romulans* facing certain doom from an impending supernova. But when the *USS Titan* is drawn into a catastrophic incident on the *Romulan-Federation* border, *Captain William Riker*, his family, and his crew find themselves caught between the shocking secrets of an enigmatic alien species and the deadly agenda of a ruthless *Tal Shiar* operative. Forced into a wary alliance with a *Romulan* starship commander, *Riker* and the *Titan* crew must uncover the truth to stop a devastating attack—but one wrong move could plunge the entire sector into open conflict! *New York Times* bestselling author *James Swallow* begins his espionage thriller series with *Nomad* featuring British desk jockey intelligence operative turned active agent. *Marc Dane* is a *MI6* field agent at home behind a computer screen, one step away from the action. But when a brutal attack on his team leaves *Dane* the only survivor—and with the shocking knowledge that there are traitors inside *MI6*—he's forced into the front line. Matters spiral out of control when the evidence points toward *Dane* as the perpetrator of the attack. Accused of betraying his country, he must race against time to clear his name. With nowhere to turn to for help and no one left to trust, *Marc* is forced to rely on the elusive *Rubicon* group and their operative *Lucy Keyes*. Ex US Army, *Lucy* also knows what it's like to be an outsider, and she's got the skills that *Dane* needs. A terrorist attack is coming, one bigger and more deadly than has ever been seen before. With the eyes of the security establishment elsewhere, only *Keyes* and *Dane* can stop the attack before it's too late. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. *Sadie Sawyer* wants to learn how to blow a guy. She's my sister's best friend. The girl I've known since grade school. The girl I've always considered off-limits. She's the girl that crawled under a table in a bar one night and changed everything between us. Now the brain in my pants is more than willing to step up. The rules are simple. No kissing. No screwing. No falling in love. But the more I let her use my body in the name of experimentation, the more I know being friends isn't enough. Is it too much to want it all with her? The taste of her lips. The sweetness of her innocence. The chance to earn her love. I might have a real shot with her...if her douchebag ex and my past don't ruin everything. *Swallow Me Whole* is a friends-to-lovers standalone romance. A classic Warhammer 40,000 villain attacks! Fabius Bile plots to bring the Blood Angels low using their most precious artefact - the blood of the primarch Sanguinius himself. The Blood Angels stand apart from the other Chapters of the Adeptus Astartes, descending from the skies on wings of flame. While they are renowned for their ten-thousand-year history of glorious battle and honourable deeds, these secretive Space Marines seek to hide the dark flaws at the core of their being - the Red Thirst and the Black Rage - from the rest of the Imperium. Do they fight any longer for the protection of mankind, or merely for their own salvation? The crews of Jean-Luc Picard, Benjamin Sisko, Ezri Dax, and William Riker unite to prevent a cosmic-level apocalypse—only to find that some fates really are inevitable. THE FUTURE IS AT WAR WITH THE PAST. The epic Star Trek: Coda trilogy continues as friends become foes, the Temporal Apocalypse accelerates, and the catastrophe's true cause is revealed. ™, ®, & © 2021 CBS Studios, Inc. Before the Dominion War and the decimation of Cardassia...before the coming of the Emissary and the discovery of the wormhole...before space station Terok Nor became Deep Space 9™...there was the Occupation: the military takeover of an alien planet and the violent insurgency that fought against it. Now that fifty-year tale of warring ideologies, terrorism, greed, secret intelligence, moral compromises, and embattled faiths is at last given its due in the three-book saga of Star Trek's Lost Era... A seemingly benign visitation to the bountiful world of Bajor from the resource-poor Cardassian Union is viewed with cautious optimism by some, trepidation by others, and a calculating gleam by unscrupulous opportunists. What begins as a gesture of compassion soon becomes something very different. Seen through the eyes of participants on both sides -- including those of a young officer named Skrain Dukat -- the personal, political, and religious tensions between the Bajorans and the Cardassians quickly spiral out of control, irrevocably shaping the futures of both worlds in an emotionally charged and unforgettable tale of treachery, tragedy, and hope. A tie-in to the television series, which connects the final moments of the last season with the first moments of the new season, follows Jack Bauer as he tries to see his daughter before fleeing an FBI task force and a Russian operations unit. IT'S NOT THE END OF THE WORLD. BUT YOU CAN SEE IT FROM HERE. In the near future, with physical augmentation gaining ground and nano-cybernetics only years away, the dawn of

limitless human evolution is just beyond the horizon, and a secret corporate cabal of ruthless men intends to make sure that humankind stays under its control. But two people on opposite sides of the world are starting to ask questions that could get them killed. Secret Service agent Anna Kelso has been suspended for investigating the shooting that claimed her partner's life. Anna suspects that the head of a bio-augmentation firm was the real target, and against orders she's turned up a few leads concerning a covert paramilitary force and a cadre of underground hackers. But the cover-up runs deep, and now there's a target on her back. Meanwhile, Ben Saxon, former SAS officer turned mercenary, joins a shadowy special ops outfit. They say they're a force for good, but Saxon quickly learns that the truth is not so clear-cut. So begins a dangerous quest to uncover a deadly secret that will take him from Moscow to London, D.C. to Geneva, and to the dark truth—if he lives that long. The year is 2027; in a world consumed by chaos and conspiracy, two people are set on a collision course with the most powerful and dangerous organization in history—and the fate of humanity hangs in the balance. Future Imperfect. When SG-1 encounter the Pack - a nomadic space-faring people who have fled Goa'uld domination for generations - it seems as though a trade of technologies will benefit both sides. The novelization of the upcoming film from New Line Cinema starring Ashton Kutcher ("That 70s Show"), opening on February 6, 2004. Struggling with repressed childhood memories, a young man devises a technique to travel back in time to inhabit his childhood body. Original. This is a concise and informative guide to the work of this innovative director. Produced with the director's full involvement, the book features new, in-depth interviews with David Fincher by author James Swallow. An original e-novel from the Original Series universe! The Enterprise-E arrives in unclaimed space for a rendezvous with the Starfleet science vessel Newton. Jean-Luc Picard and his crew have been ordered to assist the Newton with the final phase of its current mission—a mission that brings Picard face to face with something he never thought he would see again: the phenomenon known as the Nexus. Less than twelve years after it left the Alpha Quadrant, the Nexus ribbon has now returned. Tasked to track and study the phenomenon as it re-entered the galaxy, the specialist science team on the Newton discovered that the orbital path of the Nexus has been radically altered by the actions of the rogue El-Aurian Tolian Soren—taking it deep into the territory of The Holy Order of the Kinshaya, one of the key members of the Typhon Pact. Starfleet Command is unwilling to allow the Kinshaya—and by extension, the Typhon Pact—free access to what is essentially a gateway to anywhere and anywhen, as a single operative could use the Nexus to change the course of galactic history.... Stranded by a storm in the airside zone of a remote municipal airport, beleaguered businessman Kevin Tyler stumbles upon a bag of money that could be the solution to all his woes. There's just one problem - the money is part of a conspiracy of blackmail and murder, and those involved are willing to do anything to keep it... Following the tragic events that led the Blood Angels to the brink of civil war, the Chapter's strength has been badly depleted. The Blood Angels must act, and act quickly, before their enemies learn of their weakness and attack. Book 54 in the New York Times Bestselling series The Horus Heresy. Discover the last battles leading to the Siege of Terra... The skies darken over Terra as the final battle for the Throne looms ever closer... As the Traitor primarchs muster to the Warmaster's banner, it is Mortarion who is sent ahead as the vanguard of the Traitor forces. But as he and his warriors make way, they become lost in the warp and stricken by a terrible plague. Once thought of as unbreakable, the legendary Death Guard are brought to their knees. To save his Legion, Mortarion must strike a most terrible bargain that will damn his sons for eternity. Meanwhile, in the cloisters of Holy Terra, a plot is afoot to create sedition and carnage in advance of the Horus's armies. Taking matters into his own hands, Malcador the Sigillite seeks to put a stop to any insurrection but discovers a plot that he will need all of his cunning and battle-craft to overcome. The Sisters of Battle are the Emperor's most devout worshippers, fierce warriors preaching the purity of the Imperium and scourging their enemies with bolter and flamer. When an Ecclesiarchy outpost, Sanctuary 101, comes under attack, the Sisters are quick to retaliate. But they face an unknown alien, an implacable foe that has never been encountered - the fearless, soulless necrons. With wave after wave of metallic nightmares assaulting the bastion, a vicious battle will be fought - one that can only end in the total destruction of the unrelenting xenos, or the annihilation of the proud Sororitas. New York Times bestselling author James Swallow's The Marc Dane series continues with Shadow A ruthless far-right terrorist has broken out of captivity. A mysterious bio-scientist with a terrible secret is abducted. A lethal virus threatens millions of

lives across Europe and the Middle East. Ex-MI6 officer Marc Dane and his partner, Lucy Keyes, are bound together in a desperate search for the sinister organization plotting the release of a deadly virus on the world. In their frantic race against time, Dane and Keyes will be tested more than ever before as they seem to find themselves one step behind at every turn. It will take everything they have to expose the evil forces lurking in the shadows and put a stop to this unstoppable pathogen ... and even everything might not be enough.
