By highlighting the paths of French lifestyle guru Mireille Guillianio, TOMS founder Blake Mycoskie, and others, provides a method and a set of best practices for making ideas rise above the rest and impact the world. Are you ready to become an author yet? If you're new to fiction writing, this book's for you! (updated version!) Are you tired of waiting for the novel in your head to magically appear? Tired of being told to "write a little bit a day every day?" How's that advice working for you? It's not ... is it? If it was, your novel would be done. But I hear you. When I first learned how to write a novel, that "helpful" information ... wasn't. I went slowly, writing a little each day like all the authors told me to. Then I'd get disinterested or distracted and my novel would get DEStructured! You've listened to the podcasts, taken the writing workshops, read how to write a novel guides, but your novel still isn't written. Are you still waiting for that "1 hour a day" conventional wisdom to pay off? Let's face it, it's a new ballgame for indie authors! A numbers game. The number of books you publish, reviews you get, and downloads you can expect are all partly a function of how much you write-how many books you publish. Conventional "wisdom" is getting us indie authors nowhere. It's time to take a different approach! Wouldn't it be great to have something to show for all your hard

work? Forget next year! What about sitting down to proofread your first draft next week? That's what I want to show you how to do, because I've been there. In this step-by-step writing workshop-feels more like adrenaline boot camp-Steve Windsor walks you through how he writes novels in 9 "days." With concrete examples of how to apply story structure, outlining, and plotting, you learn to drive your hero through his or her story. You can write a novel in less time than it takes you to need your next haircut. Steve shows you how blockbuster novels and movies use a formula that's as old as Aristotle to produce hits. Packed with examples! Using examples from his own novels, best selling books... He even makes up a story right before your eyes! Steve is a hands on hardcore writer who will show you just how "easy" it is. Make no mistake, the Nine Day Novel series isn't for everyone. Some people like pacing themselves on their way to the death of their dreams of becoming an author. Then again, you aren't them. In this motivational writer's retreat disguised as a fast-paced writing workshop, you'll learn: How story structure can help you write faster. Through mainstream examples and Steve's own brand of "Darth Vader" humor, Nine Day Novel will keep you pumped up to write. And the FREE resources? Inside the Nine Day Novel, you'll get access to a starter file for one of the most popular writing software packages out there-Scrivener. Rather than spending hours or even days learning and creating a story structure outline, Steve did it for you.

There's not one, but three FREE writing tools to download inside! So whether you are a yet to be discovered bestselling author or a grizzled, coffee-addicted veteran like Steve who is continually sharpening his writing sword, *Nine Day Novel-Writing Faster* will give you a sharp new edge on your writer's blade. Don't let your novel die in your mind because you think you lack the time. I'll show you how much time you really have. And I'll give you real advice on how to use that time to write your novel faster than you ever thought possible. Take action, read this book, and faster than your next vacation is over, you will be showing off your brand new novel. Don't waste another minute, scroll up and click "BUY NOW"! The cult classic that predicted the rise of fake news—revised and updated for the post-Trump, post-Gawker age. Hailed as "astonishing and disturbing" by the Financial Times and "essential reading" by TechCrunch at its original publication, former American Apparel marketing director Ryan Holiday's first book sounded a prescient alarm about the dangers of fake news. It's all the more relevant today. *Trust Me, I'm Lying* was the first book to blow the lid off the speed and force at which rumors travel online—and get "traded up" the media ecosystem until they become real headlines and generate real responses in the real world. The culprit? Marketers and professional media manipulators, encouraged by the toxic economics of the news business. Whenever you see a malicious online rumor costs a company millions,

politically motivated fake news driving elections, a product or celebrity zooming from total obscurity to viral sensation, or anonymously sourced articles becoming national conversation, someone is behind it. Often someone like Ryan Holiday. As he explains, “I wrote this book to explain how media manipulators work, how to spot their fingerprints, how to fight them, and how (if you must) to emulate their tactics. Why am I giving away these secrets? Because I’m tired of a world where trolls hijack debates, marketers help write the news, opinion masquerades as fact, algorithms drive everything to extremes, and no one is accountable for any of it. I’m pulling back the curtain because it’s time the public understands how things really work. What you choose to do with this information is up to you.”

How to write a book in a day. It can be done. Read this book and find out how. John D Collins takes you on his journey of writing a book in a day. What are the limits of the human mind. Find the secrets to his methods and delve into his motivations. In a follow on from his first book 'The Laziness Gene' he sets his sights on his most productive day ever, writing, editing and publishing an entire book in a day. His day was like no other, watch where his mind goes from writer's block, through distractions, over obstacles to a finished product. He did it because he could, and he shares his findings in this easy and enjoyable read. It is hard to believe it is all written in a day. What are you capable of achieving in a day when

you put your mind to it? From bestselling author Ally Carter, the definitive guide to writing a novel for the NaNoRiMo generation, including helpful tips from other YA stars. Have you always wanted to write a book, but don't know where to start? Or maybe you're really great at writing the first few chapters . . . but you never quite make it to the end? Filled with practical tips and helpful advice, *Dear Ally* is a treasure for aspiring writers at any stage of their careers. It offers a behind-the-scenes look at how books get made, from idea to publication, and gives you insight into the writing processes of some of the biggest and most talented YA authors writing today. The go-to resource for creative ideas and helpful tips for writing thank you notes, addressing envelopes, cover letters, and everything in between, from the creators of *Sugar Paper Feeling* like sending a little love in the mail but not sure how to get started? Along with letter-writing golden rules, *How to Write a Letter* will make it easier to:

- select the perfect stationery for any occasion
- find the best salutation and sign off
- choose the right words for any situation, from

congratulations to condolences • properly address an envelope in style With this book, you'll discover how hand-writing your thoughts and feelings has the magic to turn a card, letter, or even scrap of paper into a treasure. Reduced to begging and thievery in the streets of London, a thirteen-year-old orphan disguises herself as a boy and connives her way onto a British warship set for high sea adventure in search of pirates. The author shares his insights into the craft of writing and offers a humorous perspective on his own experience as a writer. In this book, the author walks you through every step of how to write a book. After you read it, you'll be ready to start writing today. Umberto Eco's wise and witty guide to researching and writing a thesis, published in English for the first time. By the time Umberto Eco published his best-selling novel *The Name of the Rose*, he was one of Italy's most celebrated intellectuals, a distinguished academic and the author of influential works on semiotics. Some years before that, in 1977, Eco published a little book for his students, *How to Write a Thesis*, in which he offered useful advice on all the steps involved in researching and writing a thesis—from choosing a topic to organizing a work schedule to writing the final draft. Now in its twenty-third edition in Italy and translated into seventeen languages, *How to Write a Thesis* has become a classic. Remarkably, this is its first, long overdue publication in English. Eco's approach is anything but dry and academic. He not only offers practical advice but also

considers larger questions about the value of the thesis-writing exercise. *How to Write a Thesis* is unlike any other writing manual. It reads like a novel. It is opinionated. It is frequently irreverent, sometimes polemical, and often hilarious. Eco advises students how to avoid “thesis neurosis” and he answers the important question “Must You Read Books?” He reminds students “You are not Proust” and “Write everything that comes into your head, but only in the first draft.” Of course, there was no Internet in 1977, but Eco's index card research system offers important lessons about critical thinking and information curating for students of today who may be burdened by Big Data. *How to Write a Thesis* belongs on the bookshelves of students, teachers, writers, and Eco fans everywhere. Already a classic, it would fit nicely between two other classics: *Strunk and White* and *The Name of the Rose*.

America's most influential writing teacher offers an engaging and practical guide to effective short-form writing. In *HOW TO WRITE SHORT*, Roy Peter Clark turns his attention to the art of painting a thousand pictures with just a few words. Short forms of writing have always existed—from ship logs and telegrams to prayers and haikus. But in this ever-changing Internet age, short-form writing has become an essential skill. Clark covers how to write

effective and powerful titles, headlines, essays, sales pitches, Tweets, letters, and even self-descriptions for online dating services. With examples from the long tradition of short-form writing in Western culture, **HOW TO WRITE SHORT** guides writers to crafting brilliant prose, even in 140 characters. **THE ESSENTIAL RESOURCE FOR SELLING YOUR BOOK** If you want to publish a book, you must present it to agents and publishers with a knock-your-socks-off proposal. Whether you're seeking a traditional press to publish your self-published book or trying to win over an agent for your graphic novel, memoir, or nonfiction title, you need an irresistible proposal. The better your proposal, the better the editor, publisher, and deal you will get. Nailing your proposal requires an understanding of how publishers work and how to brand yourself, build a platform, and structure your book. You'll learn it all in this breezy top-to-bottom revision of the classic 100,000-copy best-seller. Inside *How to Write a Book Proposal 5th Edition*, you will find:

- Examples of successful proposals that earned six-figure deals
- Guidance from agents, publishers, and writers
- Ways to customize your proposal
- Strategies for proposals in the Digital Age
- Effective structures for narrative writers
- A list of the "Top Ten Proposal Killers"

This sassy, thorough guide from industry professionals Jody Rein and Michael Larsen will become your go-to for advice about publishing. In this valuable handbook, writers learn how to market the potential of a book idea

and effectively communicate that potential in a proposal that publishers will read. Moving beyond the basics of thesis writing, the book introduces practical writing techniques such as freewriting, generative writing and binge writing. Issues such as working out the criteria for your thesis, writer's block, writing a literature review and making notes into a draft are also covered. Useful summaries and checklists help students to stay on track or regain their way. Learn how to: Develop good writing habits Overcome writer's block Understand the assessment process Get the most from your Supervisor

If you can speak out loud, then YOU have what it takes to become a lightning-fast, bestselling author. Most people dream of writing a book, but those manuscripts end up shoved away in dusty drawers, half-finished and abandoned to be eaten by moths. Many of them are great writers, many of them have great ideas. Yet so many people come to the

conclusion that they'll never finish their books. Why? Because they aren't following a proven system. Maybe this is you right now. Maybe you believe that you're not good enough, that you'll never have enough time, or that it's a terrible book idea. You wonder how on earth other people manage to find time to write alongside their jobs, family and other commitments. But the assumption that writing is a slow process and books take six months or years to write is outdated. You can easily increase your efficiency three to four times MORE by using this system. As much value as there is in quality, quantity also plays a significant factor. The days where you need to have access to expensive or special equipment are gone. And one of the fastest ways to become profitable as an author nowadays is to write faster. Let me show you how you can hit the finish line at record speed. Every. Single. Time. This is the same system that allows me to spend more time with my family, earn more money and accomplish four times the amount of work in the same eight hours a day. It's allowed me to release books on an exponential scale, to set goals of writing fifty books per year. This book was written using the same strategy. It can be done. And now you can do the same. If you want to learn how to write a novel, then get "How To Write a Novel." HowExpert publishes quick 'how to' guides on all topics from A to Z by everyday experts. The book that Inc. says "every entrepreneur should read" and an FT Book of the Month selection... How did the movie The Shawshank Redemption fail at the box office but go on to gross more than \$100 million as a cult classic? How did The 48 Laws of Power miss the bestseller lists for more than a decade and still sell more than a million copies? How is Iron Maiden still filling stadiums worldwide without radio or TV exposure forty years after

the band was founded? Bestselling author and marketer Ryan Holiday calls such works and artists perennial sellers. How do they endure and thrive while most books, movies, songs, video games, and pieces of art disappear quickly after initial success? How can we create and market creative works that achieve longevity? Holiday explores this mystery by drawing on his extensive experience working with businesses and creators such as Google, American Apparel, and the author John Grisham, as well as his interviews with the minds behind some of the greatest perennial sellers of our time. His fascinating examples include:

- Rick Rubin, producer for Adele, Jay-Z, and the Red Hot Chili Peppers, who teaches his artists to push past short-term thinking and root their work in long-term inspiration.
- Tim Ferriss, whose books have sold millions of copies, in part because he rigorously tests every element of his work to see what generates the strongest response.
- Seinfeld, which managed to capture both the essence of the nineties and timeless themes to become a modern classic.
- Harper Lee, who transformed a muddled manuscript into *To Kill a Mockingbird* with the help of the right editor and feedback.
- Winston Churchill, Stefan Zweig, and Lady Gaga, who each learned the essential tenets of building a platform of loyal, dedicated supporters.

Holiday reveals that the key to success for many perennial sellers is that their creators don't distinguish between the making and the marketing. The product's purpose and audience are in the creator's

mind from day one. By thinking holistically about the relationship between their audience and their work, creators of all kinds improve the chances that their offerings will stand the test of time. When Poppy's sister falls to her death from a railway bridge, she begins her own investigation, with devastating results ... A startlingly twisty debut thriller. 'Uncovering the truth propels her into a world of deception. An unsettling whirlwind of a novel with a startlingly dark core. 5 Stars' The Sun 'Sharp, confident writing, as dark and twisty as the Brighton Lanes' Peter James 'Superb up-to-the-minute thriller. Prepare to be seriously disturbed' Paul Finch

When India falls to her death from a bridge over a railway, her sister Poppy returns home to Brighton for the first time in years. Unconvinced by official explanations, Poppy begins her own investigation into India's death. But the deeper she digs, the closer she comes to uncovering deeply buried secrets. Could Matthew Temple, the boyfriend she abandoned, be involved? And what of his powerful and wealthy parents, and his twin sister, Ana? Enter the mysterious and ethereal Jenny: the girl Poppy discovers after hacking into India's laptop. What is exactly is she hiding, and what did India discover...? A twisty, dark and sexy debut thriller set in the winding lanes and underbelly of Brighton, centring around the social media world, where resentments and accusations are played out, identities made and remade, and there is no such thing as the truth.

‘Well written, engrossing and brilliantly unique, this is a fab debut’ Heat ‘With twists and turns in every corner, prepare to be surprised by this psychological mystery’ Closer ‘Lucy V Hay’s fiction debut is a twisted and chilling tale that takes place on the streets of Brighton ... Like Peter James before her, Hay utilises the Brighton setting to create a claustrophobic and complex read that will have you questioning and guessing from start to finish. BESTSELLER “An inspiring story that manages to be painful, honest, shocking, bawdy and hilarious.” —The New York Times Book Review From stand-up comedian, actress, and breakout star of *Girls Trip*, Tiffany Haddish, comes *The Last Black Unicorn*, a sidesplitting, hysterical, edgy, and unflinching collection of (extremely) personal essays, as fearless as the author herself. Growing up in one of the poorest neighborhoods of South Central Los Angeles, Tiffany learned to survive by making people laugh. If she could do that, then her classmates would let her copy their homework, the other foster kids she lived with wouldn't beat her up, and she might even get a boyfriend. Or at least she could make enough money—as the paid school mascot and in-demand Bar Mitzvah hype woman—to get her hair and nails done, so then she might get a boyfriend. None of that worked (and she's still single), but it allowed Tiffany to imagine a place for herself where she could do something she loved for a living: comedy. Tiffany can't avoid being funny—it's just who she is, whether she's plotting shocking, jaw-dropping revenge on an ex-boyfriend or learning how to handle her newfound fame despite still having a broke person's mind-set. Finally poised to become a household name, she recounts with heart and humor how she came from nothing and nowhere to achieve her dreams by owning, sharing, and using her pain to heal others. By turns hilarious, filthy, and brutally honest, *The Last Black Unicorn* shows the world who Tiffany Haddish really

is—humble, grateful, down-to-earth, and funny as hell. And now, she’s ready to inspire others through the power of laughter. Takahiro O’Leary has a very special job...
...working for the Axon Corporation as an explorer of parallel timelines—as many and as varied as anyone could imagine. A great gig—until information he brought back gave Axon the means to maximize profits by changing the past, present, and future of this world. If Axon succeeds, Tak will lose Samira Moheb, the woman he has loved since high school—because her future will cease to exist. A veteran of the Iraq War suffering from post-traumatic stress disorder, Samira can barely function in her everyday life, much less deal with Tak’s ravings of multiple realities. The only way to save her is for Tak to use the time travel device he “borrowed” to transport them both to an alternate timeline. But what neither Tak nor Axon knows is that the actual inventor of the device is searching for a timeline called the Beautiful Land—and he intends to destroy every other possible present and future to find it. The switch is thrown, and reality begins to warp—horribly. And Tak realizes that to save Sam, he must save the entire world... Have you ever wanted to write a book? Despite using them every day, most software engineers know little about how programming languages are designed and implemented. For many, their only experience with that corner of computer science was a terrifying "compilers" class that they suffered through in undergrad and tried to blot from their memory as soon as they had scribbled their last NFA to DFA conversion on the final exam. That fearsome

reputation belies a field that is rich with useful techniques and not so difficult as some of its practitioners might have you believe. A better understanding of how programming languages are built will make you a stronger software engineer and teach you concepts and data structures you'll use the rest of your coding days. You might even have fun. This book teaches you everything you need to know to implement a full-featured, efficient scripting language. You'll learn both high-level concepts around parsing and semantics and gritty details like bytecode representation and garbage collection. Your brain will light up with new ideas, and your hands will get dirty and calloused. Starting from `main()`, you will build a language that features rich syntax, dynamic typing, garbage collection, lexical scope, first-class functions, closures, classes, and inheritance. All packed into a few thousand lines of clean, fast code that you thoroughly understand because you wrote each one yourself. Hoping to save his family, one man enters his realm's most glorious tournament and finds himself in the middle of a political chess game, unthinkable bloodshed, and an unexpected romance with a woman he's not supposed to want. A great self-help book must include a benefit that shows how your book makes your reader's life better, faster, cheaper, happier, tastier and so on... Learn the skill of "Writing Madly" and master the five steps to writing a self-help book that actually sells, with Nicholas Boothman - an author who's done it over and over.
