The paperback also makes the book flexible, so it can be written on even when you are in a small desk. The book industry standard binding with spine (the same binding as most paperback books in the libraries.) allows the book to be stored neatly on shelf, possibly alongside other books that you have, so you can not only organize your notes, but also the places that you keep them. The combination of blank and lined pages makes the book great for all writing and drawing related pursuits.
