Laid: A Blue Collar Bad Boys Book Apr 10 2021 Conner I'm in over my head with these kids, but I'm all the family they have left after my sister and her husband were killed. I'm a bricklayer, what do I know about twin baby girls? Nothing. Thank God for the sweet girl-next-door. But she's a blessing and a curse. I've practically moved the poor girl in to help me care for these babies, but playing house is stirring up all kinds of feelings that should never see the light of day. I

know she's got a crush on me, but what I want to do to her body would crush her innocence forever. She's too sweet, too innocent, and way too young for a perv like me. Cassidy Mr. Webster is trying so hard to do the right thing and take care of everyone. But who takes care of him? I know under normal circumstances I would hardly even register on his radar, but lately, when he looks at me, I feel like there's more between us than there should be. Maybe more than he wants. He works so hard. Provides for his nieces. Makes sure I'm a happy babysitter. But he's so tense. So unhappy. I want to give him something. Something he wants. Something he needs. Something no man has ever had before. Me. Author's Confession: Writing this series is like eating candy for dinner. I'm like...sorry, not sorry. Conner is the book boyfriend you want in your life. I promise. And if you ever had a crush on the DILF while babysitting, this book is for you.
