Wonder Woman: Attack of the Cheetah May 31 2020 When a cheetah exhibit opens at the National Zoo in Washington, D.C., PRINCESS DIANA arrives to witness the event. At the grand

opening, the rare cats suddenly escape, fleeing through a crowd of frightened zoogoers! DIANA quickly transforms into her secret identity, WONDER WOMAN, captures the cats and saves the day. But when the cheetahs continue their odd behavior, only one thing can explain it. The cat-like super-villain, CHEETAH, is on the loose!

Attack of the Asian Carp Nov 05 2020 In the 1970s, Asian carp were brought to Arkansas fish farms. Many escaped, and they've been invading US waterways ever since. Through the story of the Asian carp, readers learn about invasive species and the harm they cause to native plants and animals. Examples of recent attempts at controlling the Asian carp population, accompanying fact boxes, full-color photographs, and maps help readers understand the extent of the invasion. An overarching theme of conservation and respect for existing ecosystems add to the main content's inclusion of science curriculum topics such as animal life cycles and food chains.

Attack of the Cute Jan 07 2021 Emmy is convinced there is a monster under her bed, so she invites her friend Maddie for a sleepover monster hunt--but what they catch surprises them both.

Attack of the Vyperians Oct 16 2021 2015 San Francisco Book Festival Honorable Mention! Flying saucers! Rampaging monsters! Genetically modified super geniuses! Forbidden love between a pop singer and her alien romeo! It's Attack of the Vyperians in thrilling 2-D! When a race of alien octopuses arrives to "befriend with benefits" Earth's women, a motley collection of humans find themselves thrown into a war zone of giant monsters, ancient enemies, and horny interplanetary beings that just can't keep their tentacles to themselves. James "Crash" Jefferson - Cable TV adventure show host. Egomaniac. Emmy award winner. Irresponsible lover. The only person banned from South Africa for choking a giraffe to death during a Make-A-Wish trip, Crash is his

own biggest advocate and worst enemy at the same time. Pulled across the planet by forces he doesn't understand, Crash does what Crash does best - swing hard and let others clean up the mess. Jennica! - As a global pop music superstar, Jennica! secretly wishes for nothing more than to wrest control of her own life from those that want only to use her as a pawn to profit from. Unfortunately, the exact opposite happens yet again as she becomes the vessel of choice for the Vyperians' devious plan. Dr. Frank Faraday - Pushed from childhood to be the next super-genius scientist extraordinaire, Frank Faraday received his first PhD at age 20 and then subsequently surprised everyone around him by disappearing off the grid. For the first time in his life, Dr. Faraday had a taste of freedom as he left the stresses and pressures of his past life behind him. Until, that is, a secret organization made him an offer he should have refused. A science fiction comedy born from a love of the golden age of ridiculously awesome monster movies, "Attack of the Vyperians" will capture your attention from the first page and keep it all the way to the second. Uh, end. I meant end. How do I go back? How do I edit? Hello?

Love Your Enemies Aug 22 2019 NATIONAL BESTSELLER To get ahead today, you have to be a jerk, right? Divisive politicians. Screaming heads on television. Angry campus activists. Twitter trolls. Today in America, there is an “outrage industrial complex” that prospers by setting American against American, creating a “culture of contempt”—the habit of seeing people who disagree with us not as merely incorrect, but as worthless and defective. Maybe, like more than nine out of ten Americans, you dislike it. But hey, either you play along, or you’ll be left behind, right? Wrong. In Love Your Enemies, social scientist and author of the #1 New York Times bestseller From Strength to Strength Arthur C. Brooks shows that abuse and outrage are not the right formula for lasting success. Brooks blends cutting-edge behavioral research, ancient wisdom, and a decade of experience leading one of America’s top policy think tanks in a work that offers a better way to lead based on bridging divides and mending relationships. Brooks’ prescriptions are unconventional. To bring America together, we shouldn’t try to agree more. There is no need for mushy moderation, because disagreement is the secret to excellence. Civility and tolerance shouldn’t be our goals, because they are hopelessly low standards. And our feelings toward our foes are irrelevant; what matters is how we choose to act. Love Your Enemies offers a clear strategy for victory for a new generation of leaders. It is a rallying cry for people hoping for a new era of American progress. Most of all, it is a roadmap to arrive at the happiness that comes when we choose to love one another,

despite our differences.

**Snoop Troop: Attack of the Ninja Potato Clones** Aug 14 2021 This second book in the wildly wacky Snoop Troop series is just right for newly independent readers, with art on every page, interactive seek-and-find elements, and a chance to solve the mystery! Fourth-grade detectives Logan Lang and Gustavo Muchomacho have landed their next case: a sneaky ninja is stealing the town's potato supply! The gumshoes are pretty sure a weirdo kindergartener named Chapster (who has a serious fondness for gouda cheese and cats) is the thief, but they soon discover that this case goes far beyond one crazy kid. There's a whole army of Chapster clones waiting for them! Who is creating them, and why would the mastermind behind this nefarious plot want to take away tater tots and French fries from potato-loving children everywhere? Visit [lb-kids.com](http://lb-kids.com) to print out bonus content including puzzles and doodle activities!

**Attack of the 50 Foot Blockchain** Feb 26 2020 An experimental new Internet-based form of money is created that anyone can generate at home; people build frightening firetrap computers full of video cards, putting out so much heat that one operator is hospitalised with heatstroke and brain damage. A young physics student starts a revolutionary new marketplace immune to State coercion; he ends up ordering hits on people because they might threaten his great experiment, and is jailed for life without parole. Fully automated contractual systems are proposed to make business and the law work better; the contracts people actually write are unregulated penny stock offerings whose fine print literally states that you are buying nothing of any value. The biggest crowdfunding in history attracts \$150 million on the promise that it will embody “the steadfast iron will of unstoppable code”; upon release it is immediately hacked, and \$50 million is stolen. How did we get here? David Gerard covers the origins and

history of Bitcoin to the present day, the other cryptocurrencies it spawned including Ethereum, the ICO craze and the 2017 crypto bubble, and the attempts to apply blockchains and smart contracts to business. Plus a case study on blockchains in the music industry. Bitcoin and blockchains are not a technology story, but a psychology story. Remember: if it sounds too good to be true, it almost certainly is. “A sober riposte to all the upbeat forecasts about cryptocurrency” — New York Review of Books “A very convincing takedown of the whole phenomenon” — BBC News

Attack of the 50 Foot Indian Jan 27 2020 Sharp, searing, with a masterful use of language, Attack of the 50 Foot Indian is a brilliant satire of the portrayal of American Indians from breakout author Stephen Graham Jones. A Tale of Two Moons. Every government of every nation debates what to do when a fifty-foot tall man, dressed in a loincloth and dripping from the sea, appears off the Siberian coast. As the American people puzzle over how he came to be and what to do next, the news outlets start calling the titan “Two Moons,” social media abducts him into the memesphere, and the military, well, they have their own action-plan for dealing with threats to what they mistakenly consider their homeland. With unapologetic honesty and wit, Stephen Graham Jones cuts to the bone of the stereotypes used for American Indians, showcasing his talent as a humorist and as one of our great American writers in this short story.

Stink and the Attack of the Slime Mold Jan 19 2022 Aaagh! Crawl slowly for your lives! Stink kicks off his second decade with a super-funny homage to an oozy-goozy organism. Glip! Glop! Gloop! What looks like dog vomit, smells like a corpse flower, and stars in one of the scariest movies Stink Moody has ever seen? Is it the Blob? The Glob? Son of Glob? No, it's . . . slime mold! Stink may be a super science geek, but even Dr. Stinkelstein is feeling freaked out about having a slime mold living and growing in his

very own room. At Saturday Science Club, Stink learns that these one-celled organisms are smart enough to find their way out of mazes and gang up on food sources — so who says they aren't smart enough to take over Stink's pets, Stink's room, Stink himself, and . . . the world? Vintage horror flicks meet classic Star Trek episodes as a wary Stink (with some help from Dr. Judy Moody) comes to know and love an unusual new pet in a hilarious adventure that sneaks in factoids and comics at each chapter's end.

Attack of the Kraken (The Yeti Files #3) Apr 29 2020 Something smells fishy in the underwater kingdom of Atlantis. The merfolk claim the mighty kraken is attacking their city and threatening their safety. They have called yeti Blizz Richards and his team of cryptozoologists to track and capture the beast. But something about their story isn't holding water... To find the kraken and get some answers, Blizz and the gang will have to face man-eating sharks, powerful magic crystals, giant crabs, and find a long lost hero in the furthest reaches of the deep.

Attack of the Muffin Stumps Jul 01 2020 A cloud passed over the house and covered the sun for a few moments. The house was dark and eerily quiet. I stood still, moving only my eyes for a glimpse of light somewhere. My heart raced. I felt ill and cold. Night-time is fright-time. What are you afraid of at night? When you're alone in your room? And everyone is asleep but you.

Attack the Geek Jun 12 2021 A side-quest novella in the bestselling Geekomancy urban fantasy series—when D&D-style adventures go from the tabletop to real life, look out! Ree Reyes, urban fantasista and Geekomancer extraordinaire, is working her regular drink-slinger shift at Grogard's bar-and-gaming salon when everything goes wrong. The assorted magic wielders of the city's underground have come to test their battle skills via RPGs like D&D, V:TES, White Wolf, and the like. All the usuals are there:

her ex-mentor Eastwood, Drake (the man-out-of-time adventurer), and, of course, Grognard himself (her boss and a brewer of beer that act as magic potions). However, it's the presence of these and other "usuals" that makes all the trouble. For, a nemesis from Eastwood and Ree's past decides to finally take her revenge not just on those two, but on every self-styled "hero" in the city who happens to have crossed her at one point or another. When wave after wave of monsters besiege Grognard's store, if Ree & Co. are going to survive, they're going to have to work together. And avoid the minotaur. That's always a good rule of thumb.

Attack of the Chicken Nugget Man Feb 08 2021 This laugh-out-loud children's book prepares students for the New York State Assessments and is aligned with the New York State Learning Standards for Language arts, mathematics, science, and social studies. Attack of the Chicken Nugget Man is a hilarious story that teaches and references second through fifth grade educational concepts, and even though it's 100% correlated to the third grade New York curriculum, it teaches concepts that students in all states need to learn! This breakthrough educational book tells the story of a struggling third-grader (Chris Robb) who desperately wants to pass the third grade New York State Assessment. Chris's school is a crazy place and his teacher has the strangest name he has ever heard: Ms. Bubblebrain. Every character in the book has a unique personality trait. Smelly Sam stuffs random objects up his nose (sushi, socks, etc), the bus driver waves around his stinky shoe to get the kids to settle down, and the principal harbors an incomprehensible infatuation with strawberry milk. Meanwhile, rumor has it that a mysterious Chicken Nugget Man has been sneaking into schools and causing all kinds of chaos. A task force is created to capture the Chicken Nugget Man. The country's

smartest children will be chosen to join the effort because for some reason, no adult has ever seen the Chicken Nugget Man. Chris, who can barely remember his teacher's name, has the odds stacked against him when it comes to passing the New York State Assessment, but as the reader discovers, he might have a little help, and a little hope, after all. The book has built-in Bloom's Taxonomy critical thinking comprehension questions that are written in kid-friendly language. A strong emphasis is placed on character education in the book and every time a character makes a poor choice, the narrator reminds readers of the consequences, encouraging them to suggest more responsible choices. This delightful work of humorous fiction makes learning fun and helps students in all states prepare for standardized tests. It's great for fourth and fifth grade remediation, gifted second graders, after school tutoring, read-aloud, literature circles, guided reading, and family reading nights. Key educational features in the book: Built-in comprehension questions Math, science, social studies, language arts and reading concepts taught through a fun, fictional plot Educational illustrations Tricky words are labeled with images for ELLs and struggling readers Officially leveled text Full list of referenced educational standards/concepts in the back of the book Math word problems "Knowledge Nugget" educational fact boxes Math skills, including: problem solving, properties, fractions, equations, and geometry Social Studies skills, including: leadership, New York history, geography, citizenship, economics, and world history Science skills, including: physical science, life science, magnetism, and matter

Attack of the Volcano Monkeys Dec 26 2019 Away from his ordinary life in 1899 Maine, Basil Pepperell travels to forbidden Monkey Island--a floating scientific laboratory where evil Dr. Von Rottweil plans to use an advanced society of monkeys to further his plan of "Peace Through World Domination."

The Attack of the Aqua Apes Sep 03 2020 When Scott and Glen decide to use water from Fear Street Lake to grow their Aqua Ape, they had no idea that the tiny little creature would keep growing...and growing...and growing. And its teeth keep getting sharper...and sharper...and sharper. Will Scott and Glen be able to contain their destructive new pet before it's too late?

Attack of the Stuff Sep 27 2022 In what is described as “an 8 year old’s fever dream,” New York Times bestselling author introduces us to Bill Waddler. Bill is a duck who dreams of being smothered by farting snakes. He also has a special gift. He is able to hear appliances complain. Imagine what toilets would complain about. Bill doesn’t need to imagine. While working as a cash-only hay seller (that doesn’t accept credit cards) , Bill doesn’t know that he, and a very confused orange juice sales clerk, are about to save the world. If you could hear this book complain, it would be saying “where have you been all my life?”

Attack of the Drowned Nov 17 2021 Introducing the second novel of the brand-new series about the aquatic world of Minecraft! Brothers Mason and Asher have only ever known the comfort of dry land in the Overworld. But when a terrifying shipwreck leaves them stranded, their new friend Luna urges them to safe haven—underwater. In each story of the all-new series for Minecrafters, Aquatic Adventures in the Overworld, this unlikely trio must make the choice of staying in the world they know best and risk death, or voyaging into an unknown world where anything could happen. Follow their journey as Mason, Asher, and Luna face incredible obstacles and discover strength they never knew they had in Aquatic Adventures in the Overworld. In the second novel of their aquatic adventures, Mason and Asher’s underwater base seems safe and peaceful, except for the fish-beast guardians

that swim past. But when glowing eyes appear—watching the brothers through their glass walls—they realize they're trapped. The Drowned are everywhere! Food is running low and a leaking roof threatens to cave in. Will Luna arrive in time to help, or will Mason need to leave his home and face the Drowned head-on?
