**The Woman Who Read Too Much** Oct 24 2019 Gossip was rife in the capital about the poetess of Qazvin. Some claimed she had been arrested for masterminding the murder of the grand Mullah, her uncle. Others echoed her words, and passed her poems from hand to hand. Everyone spoke of her beauty, and her dazzling intelligence. But most alarming to the Shah and the court was how the poetess could read. As her warnings and predictions became prophecies fulfilled, about the assassination of the Shah, the hanging of the Mayor, and the murder of the Grand Vazir, many wondered whether she was not only reading history but writing it as well. Was she herself guilty of the crimes she was foretelling? Set in the world of the Qajar monarchs, mayors, ministers, and mullahs, this book explores the dangerous and at the same time luminous legacy left by a remarkable person. Bahiyiyih Nakhjavani offers a gripping tale that is at once a compelling history of a pioneering woman, a story of nineteenth century Iran told from the street level up, and a work that is universally relevant to our times.

[The Woman Who Says No](#) Dec 19 2021 Pablo Picasso called Françoise Gilot "The Woman Who Says No." Tiny, talented, and feisty, and an accomplished artist in her own right, Gilot left Picasso after a ten-year relationship, the only woman to escape his intense attentions unscathed. From 2012 to 2014, German journalist and author Malte Herwig dropped by her ateliers in Paris and New York to chat with her about life, love, and art. She shared trenchant observations, her sharp sense of humor, and over ninety years of experience, much of it in the company of men who changed the world: Picasso, Matisse, and her second husband, the famous virologist Jonas Salk, developer of the polio vaccine. Never one to stand in the shadows, Gilot engaged with ground-breaking artists and scientists on her own terms, creating from these vital interactions an artistic style all her own, translated into an enormous collection of paintings and drawings held by private collectors and public museums around the world. In her early nineties, she generously shared her hospitality and wisdom with Herwig, who started out as an interviewer but found himself drawn into the role of pupil as Gilot, whom he called "a philosopher of joy," shared with him different ways of seeing the world.

**It's All About the Woman Who Wears It** Oct 05 2020 Emmy(r) Award-winning Judge Cristina Perez, of Cristina's Court, imparts ten "laws" to empower women. With her quick wit, charm, and genuine compassion, Judge Perez has not only redefined the role of intimidating TV court judge, but also gained the trust and respect from a new generation of young women. In *It's All About the Woman Who Wears It*, Judge Perez lends the same candid voice, humor, and understanding that she applies in Cristina's Court to ten impactful laws. Together, these laws can teach women that the real essence of being sexy comes from a strong sense of identity. They address the problems women commonly face that prevent them from realizing their full potential for happiness. Sharing personal experiences that have made her the confident woman she is today as well as the many real-life lessons imparted from her cases, Judge Cristina's words will resound among this new generation of women who take a no-nonsense approach to life and, above all else, want to be true to themselves.

**The Woman in the Mirror** Apr 22 2022 The eating disorders authority and author of *Crave* identifies social factors that cause women to confuse body esteem with self-esteem, sharing in-depth psychological insights into the causes of body image problems to counsel readers on how to overcome self-sabotaging behaviors. Original.

*The Woman in the Window* Nov 17 2021 In Stalin's Russia, the great poet Anna Akhmatova is forbidden to write. In a future, denatured world, a young woman, Rachel, searches for what is missing in her life and the sterile world she inhabits. De Groen uses the lessons of a repressive, torturous chapter in history to illuminate an imagined sterile, artless future where the muses and gods of literature and science have virtually sunk without trace. In a world where a 'poet' means a man who researches poetry in the archives, where there is no nature or wildlife and the moon and stars are seen only in a virtual room created by accessing the science archives, Rachel becomes a dispossessed Akhmatova. When the literary archives, which are seldom accessed any more, are about to be switched off and the 'poets' de-listed, Rachel risks her life to save the poetry archives for future generations. (2 acts: 2 men, 5 women)

*The Woman Who Rides Like a Man* Sep 27 2022 On her first tour as a knight errant, Alanna assumes a position of influence with a fierce desert tribe, makes some changes in the role of women in the society, and continues her own emotional development.

*The Woman Who Stole My Life* Apr 10 2021 A funny new novel from international bestselling author Marian Keyes about Irish beautician Stella Sweeney who falls ill, falls in love, then falls into a glamorous new life in New York City. When her dream life is threatened, will she rally to reclaim love and happiness? In her own words, Stella Sweeney is just "an ordinary woman living an ordinary life with her husband and two teenage kids," working for her sister in their neighborhood beauty salon. Until one day she is struck by a serious illness, landing her in the hospital for months. After recovering, Stella finds out that her neurologist, Dr. Mannix Taylor, has compiled and self-published a memoir about her illness. Her discovery comes when she spots a photo of the finished copy in an American tabloid—and it's in the hands of the vice president's wife! As her relationship with Dr. Taylor gets more complicated, Stella struggles to figure out who she was before her illness, who she is now, and who she wants to be while relocating to New York City to pursue a career as a newly minted self-help memoirist. Funny, fast-paced, and honest, Keyes's latest novel is full of her trademark charm and wisdom and is sure to delight her many fans.

**God's Ideal Woman** Oct 17 2021 This book provides answers to the questions and problems that baffle women of every age. First, it sets out to help the teen-age girl to wisely and discreetly set the course for her life. The second chapter is addressed to the woman who will not marry. Every girl should familiarize herself with the lessons on love, dating and marriage as set forth in chapter 3. How to have a happy, successful Christian home is portrayed in chapter 4. Chapter 5 deals with the responsibility of motherhood and its rewards. Chapter 6 closes the book with the challenge of Proverbs 31, God's concise description of the virtuous woman. The way of salvation is also clearly presented. - Commendation.

**The Woman Who Lost Her Soul** Apr 30 2020 Pulitzer Prize finalist: “A soaring literary epic about the forces that have driven us to the 9/11 age . . . relentlessly captivating” (Ron Charles, The Washington Post). When humanitarian lawyer Tom Harrington travels to Haiti to investigate the murder of a beautiful photojournalist, he is confronted with a dangerous landscape riddled with poverty, corruption, and voodoo. It’s the late 1990s, a time of brutal guerrilla warfare and civilian kidnappings. The journalist, whom he knew years before as Jackie Scott, had a bigger investment in Haiti than it seemed. To make sense of her death, Tom must plunge back into his complicated ties to Jackie—and her mysterious past. Shacochis traces Jackie’s shadowy family history from the outlaw terrain of World War II Dubrovnik to 1980s Istanbul. Caught between her first love and her domineering father—an elite Cold War spy pressuring her to follow in his footsteps—seventeen-year-old Jackie hatches a desperate escape plan. But getting out also puts her on the path that turns her into the soulless woman Tom fears as much as desires. Set over fifty years and in four war-torn countries, *The Woman Who Lost Her Soul* is National Book Award winner Bob Shacochis’s masterpiece and a magnum opus. It brings to life an intricate portrait of catastrophic events that led up to the war on terror and the America we are today.

**Being the Other Woman** Dec 07 2020 Almost half of all married men, and slightly fewer married women, admit to having had at least one affair. This is the book for the woman who finds herself involved with such a married man! This is absolutely not a "how to become a mistress" book. It offers help to those who are already finding themselves in this situation so everyone involved survives the experience as unharmed as possible under the circumstances, especially the "Other Woman" herself. Insightful, at times funny, and always straight to the point, this book is a "must read" for every "Other Woman!" And let us not forget that there is a betrayed wife and a cheating husband for every Other Woman. This book would be an eyeopener for many of those, too.

**Nicki Minaj** Jan 08 2021 With never-before-seen photos and interviews, Holloway profiles Onika Tanya MarajNknown today as Nicki Minaj.

**The Woman Who Walked into Doors** Mar 22 2022 "This unflinching novel chronicles a woman's relationship with a violent man in a way that brings fresh insight to the subject . . . engaging and uplifting." —O, The Oprah Magazine From the Booker Prize-winning author of *Paddy Clarke Ha Ha Ha*, the heartrending story of a brave and tenacious housewife Paula Spencer is a thirty-nine-year-old working-class woman struggling to reclaim her dignity after marriage to an abusive husband and a worsening drinking problem. Paula recalls her contented childhood, the audacity she learned as a teenager, the exhilaration of her romance with Charlo, and the marriage to him that left her feeling powerless. Capturing both her vulnerability and her strength, Roddy Doyle gives Paula a voice that is real and unforgettable.

**Women Who Run with the Wolves** Dec 31 2022 NEW YORK TIMES BESTSELLER • One million copies sold! “A deeply spiritual book [that] honors what is tough, smart and untamed in women.”—The Washington Post Book World Book club pick for Emma Watson’s *Our Shared Shelf* Within every woman there lives a powerful force, filled with good instincts, passionate creativity, and ageless knowing. She is the Wild Woman, who represents the instinctual nature of women. But she is an endangered species. For though the gifts of wildish nature belong to us at birth, society’s attempt to “civilize” us into rigid roles has muffled the deep, life-giving messages of our own souls. In *Women Who Run with the Wolves*, Dr. Clarissa Pinkola Estés unfolds rich intercultural myths, fairy tales, folk tales, and stories, many from her own traditions, in order to help women reconnect with the fierce, healthy, visionary attributes of this instinctual nature. Through the stories and commentaries in this remarkable book, we retrieve, examine, love, and understand the Wild Woman, and hold her against our deep psyches as one who is both magic and medicine. Dr. Estés has created a new lexicon for describing the female psyche. Fertile and life-giving, it is a psychology of women in the truest sense, a knowing of the soul.

**The Woman Who Kept Everything** May 24 2022 The Lady in the Van meets The Unlikely Pilgrimage of Harold Fry in this uplifting, funny and moving debut novel about a 79-year-old hoarder who is convinced the world is against her.

*A Woman Who* May 31 2020 *A Woman Who* is a delightful collection of clever, almost surreal drawings revealing women feeling all the strange and specific things they feel - as conjured up by artist/writer/filmmaker Rebecca Miller, who draws each image with her eyes closed. Bored, sexy, angry, amused, ambivalent, overwhelmed, curious, so serene they can barely speak - these women come straight from the unconscious, and you'll recognise them at once. A woman who has so many things to do that she can't bring herself to do any of them. A woman who is flying for the first time. A woman who was okay a second ago. A woman who would like some attention but isn't sure how to get it in a subtle way. A woman who is worried she's so happy she'll never have another idea. They're all here - in the perfect gift book for all the women in your life.

**The Woman and the Car** Mar 10 2021

*La mujer que brillaba aun mas que el sol* May 12 2021 Retells the Zapotec legend of Lucia Zenteno, a beautiful woman with magical powers who is exiled from a mountain village and takes its water away in punishment.

**Joan Procter, Dragon Doctor** Aug 15 2021 For fans of *Ada Twist: Scientist* comes a fascinating picture book biography of a pioneering female scientist--who loved reptiles! Back in the days of long skirts and afternoon teas, young Joan Procter entertained the most unusual party guests: slithery and scaly ones, who turned over teacups and crawled past the crumpets.... While other girls played with dolls, Joan preferred the company of reptiles. She carried her favorite lizard with her everywhere--she even brought a crocodile to school! When Joan grew older, she became the Curator of Reptiles at the British Museum. She went on to design the Reptile House at the London Zoo, including a home for the rumored-to-be-vicious komodo dragons. There, just like when she was a little girl, Joan hosted children's tea parties--with her komodo dragon as the guest of honor. With a lively text and vibrant illustrations, scientist and writer Patricia Valdez and illustrator Felicita Sala bring to life Joan Procter's inspiring story of passion and determination. A Chicago Public Library Best Book of the Year selection

*The Woman and the Car* Aug 22 2019 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. *I Know a Woman* Jul 14 2021 Behind every great woman... is another great woman. Here, the extraordinary achievements, relationships and secret histories of 84 pioneering women are revealed in inspirational stories which together show the indomitable strength of womankind. From ground-breaking scientist Marie Curie to political activist Malala Yousafzai, from feminist author Virginia Woolf to the game-changing Billie Jean King; *I Know a Woman* creates a gigantic web of womanhood which celebrates the relationships between the world's most inspirational and influential women. Threading tales from across the globe and throughout history, the lives of innovative aviatrixes, gun-toting revolutionaries and women with incomparable intellects are revealed. Each woman is connected to the next, discovering the women behind the scenes; those who didn't get the credit for scientific discoveries, sporting achievements or acts of bravery when they were alive. Some names will be familiar, some might not, but all are equally important. With compelling story-telling and beautifully illustrated portraits, *I Know a Woman* is bold and engaging with a unique purpose: to uncover the links between 84 pioneering women and show the indomitable strength of womankind. Featuring Michelle Obama, Gala Dalí, Emma Watson, Nina Simone, Frida Kahlo, Georgia O'Keeffe, Greta Garbo, Eleanor Roosevelt, Chimamanda Ngozi Adichie, and many more pioneering

women who have shaped the world we live in today.

**The Woman Who Waited** Jul 02 2020 A moving, utterly captivating love story: Romeo and Juliet as if told by Chekhov or Dostoevsky. In a remote Russian village a woman waits, as she has waited for almost three decades, for the man she loves to return. Near the end of World War II, nineteen-year-old Boris Koptek left the village to join the Russian army, swearing to the sixteen-year-old love of his life, Vera, that as soon as he returned they would marry. Young Boris, who with his engineering battalion fought his way almost to Berlin, was reported killed in action crossing the Spree River. But Vera refuses to believe he is dead, and each day, all these years later, faithfully awaits his return. Then one day the narrator arrives in the village, a twenty-six-year-old native of Leningrad, who is fascinated both by the still-beautiful woman and her exemplary story, and little by little he falls madly in love with her. But how can he compete with a ghost that will not die? Beautifully, delicately, but always powerfully, Andreï Makine delineates in masterly prose the movements and madness that constitute the dance of pure love. Skyhorse Publishing, as well as our Arcade, Yucca, and Good Books imprints, are proud to publish a broad range of books for readers interested in fiction—novels, novellas, political and medical thrillers, comedy, satire, historical fiction, romance, erotic and love stories, mystery, classic literature, folklore and mythology, literary classics including Shakespeare, Dumas, Wilde, Cather, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

*The Woman Who Wasn't There* Jul 26 2022 Traces the story of Tania Head, who falsely claimed to be a September 11 survivor, describing her interviews with the co-author and the discovery that she was not in America at the time of the attacks.

**The Woman Who Can't Forget** Dec 27 2019 Jill Price has the first diagnosed case of a memory condition called "hyperthymestic syndrome" -- the continuous, automatic, autobiographical recall of every day of her life since she was fourteen. Give her any date from that year on, and she can almost instantly tell you what day of the week it was, what she did on that day, and any major world event or cultural happening that took place, as long as she heard about it that day. Her memories are like scenes from home movies, constantly playing in her head, backward and forward, through the years; not only does she make no effort to call her memories to mind, she cannot stop them. *The Woman Who Can't Forget* is the beautifully written and moving story of Jill's quest to come to terms with her extraordinary memory, living with a condition that no one understood, including her, until the scientific team who studied her finally charted the extraordinary terrain of her abilities. As we learn of Jill's struggles first to realize how unusual her memory is and then to contend, as she grows up, with the unique challenges of not being able to forget -- remembering both the good times and the bad, the joyous and the devastating, in such vivid and insistent detail -- the way her memory works is contrasted to a wealth of discoveries about the workings of normal human memory and normal human forgetting. Intriguing light is shed on the vital role of what's called "motivated forgetting"; as well as theories about childhood amnesia, the loss of memory for the first two to three years of our lives; the emotional content of memories; and the way in which autobiographical memories are normally crafted into an ever-evolving and empowering life story.

**The Woman who Stole Everything** Jun 24 2022

**5 Habits of a Woman Who Doesn't Quit** Jan 20 2022 Nicki Koziarz is a woman who has thrown in the towel a time or two. In fact, she has quit just about everything in her life. But with God help, she has discovered a few habits that have helped her and others conquer the choice to quit.

**The Radium Girls** Nov 05 2020 A New York Times, USA Today, Wall Street Journal, and Amazon Charts Bestseller! For fans of *Hidden Figures*, comes the incredible true story of the women heroes who were exposed to radium in factories across the U.S. in the early 20th century, and their brave and groundbreaking battle to strengthen workers' rights, even as the fatal poison claimed their own lives... In the dark years of the First World War, radium makes gleaming headlines across the nation as the fresh face of beauty, and wonder drug of the medical community. From body lotion

to tonic water, the popular new element shines bright. Meanwhile, hundreds of girls toil amidst the glowing dust of the radium-dial factories. The glittering chemical covers their bodies from head to toe; they light up the night like industrious fireflies. With such a coveted job, these "shining girls" are the luckiest alive — until they begin to fall mysteriously ill. And, until they begin to come forward. As the women start to speak out on the corruption, the factories that once offered golden opportunities ignore all claims of the gruesome side effects. And as the fatal poison of the radium takes hold, the brave shining girls find themselves embroiled in one of the biggest scandals of America's early 20th century, and in a groundbreaking battle for workers' rights that will echo for centuries to come. A timely story of corporate greed and the brave figures that stood up to fight for their lives, these women and their voices will shine for years to come. Written with a sparkling voice and breakneck pace, *The Radium Girls* fully illuminates the inspiring young women exposed to the "wonder" substance of radium, and their awe-inspiring strength in the face of almost impossible circumstances. Their courage and tenacity led to life-changing regulations, research into nuclear bombing, and ultimately saved hundreds of thousands of lives...

*National Parks and the Woman's Voice* Nov 25 2019 This lively study provides a missing chapter in the history of the nation's preservation of historic space and wild and scenic landscapes. Now available in paperback, it draws on extensive research, including hundreds of personal interviews. Kaufman presents the untold story of women's contributions to the national parks, making clear for the first time the role of women who have helped shape our national park system. Also included in this edition is information on women's history sites in the national parks.

**The Woman who was Poor** Sep 15 2021 "Written in the 1890s, this novel has had an immeasurable effect on all European Catholic writing since. It is an extraordinary book, powerful in the manner of dos Passos, yet spiritual in the manner of the Bible. It is the story of a woman abysmally poor, brutally treated and also exploited by her parents, living in the gutters of Paris, yet retaining the spiritual outlook and the purity of a saint. We are spared no brutality, yet there are scenes of the most tender beauty. The woman, Clotilda, becomes an artist's model, meeting all the great French writers, among them the gloomy and magnificent Marchenoir, who is Bloy himself. They are all impressed by the depth of her thoughts and feelings; and finally she marries one of them. They are pitifully poor, and the pages which cover the birth and death of their child shock with their horror at the same time as they move with their tragic beauty and tenderness--for that is Bloy, hovering always between death and ecstasy. Left a widow, Clotilda finds her true vocation, a vocation of poverty: she is *The Woman Who Was Poor*--no other words can describe her accurately. The novel ends with those famous words of extraordinary optimism: "There is only one misery . . . not to be saints."--

*The Woman Who Fell from the Sky* Oct 29 2022 Traces the author's year spent in Yemen's capital city, Sana'a, where she worked as the editor of the "Yemen Observer," documenting her efforts to teach balanced journalism to her staff, and her appreciation for the strength of Arab women in a completely male-dominated society.

*The Woman Who Pretended to Be Who She Was* Jun 12 2021 Many cultures have myths about self-imitation, stories about people who pretend to be someone else pretending to be them, in effect masquerading as themselves. This great theme, in literature and in life, tells us that people put on masks to discover who they really are under the masks they usually wear, so that the mask reveals rather than conceals the self beneath the self. In this book, noted scholar of Hinduism and mythology Wendy Doniger offers a cross-cultural exploration of the theme of self-impersonation, whose widespread occurrence argues for both its literary power and its human value. The stories she considers range from ancient Indian literature through medieval European courtly literature and Shakespeare to Hollywood and Bollywood. They illuminate a basic human way of negotiating reality, illusion, identity, and authenticity, not to mention memory, amnesia, and the process of aging. Many of them involve marriage and adultery, for tales of sexual betrayal cut to the heart of the crisis of identity. These stories are extreme examples of what we common folk do, unconsciously, every day.

Few of us actually put on masks that replicate our faces, but it is not uncommon for us to become travesties of ourselves, particularly as we age and change. We often slip carelessly across the permeable boundary between the un-self-conscious self-indulgence of our most idiosyncratic mannerisms and the conscious attempt to give the people who know us, personally or publicly, the version of ourselves that they expect. Myths of self-imitation open up for us the possibility of multiple selves and the infinite regress of self-discovery. Drawing on a dizzying array of tales—some fact, some fiction—*The Woman Who Pretended to Be Who She Was* is a fascinating and learned trip through centuries of culture, guided by a scholar of incomparable wit and erudition.

**The Woman Who Lives in the Earth** Sep 03 2020 In a strange world in which modern machines have no place, young Sarah's fascination with the mysteries of nature makes her the target of local suspicion on the part of superstitious villagers who believe that she is an evil demon and the cause of the severe drought ravaging the land. Reader's Guide available. Reprint. 15,000 first printing.

*The Woman in the Wood* Aug 03 2020 Discover the addictive and gripping novel from the bestselling author of *You'll Never See Me Again*, Lesley Pearce 'A gripping novel' HELLO! Magazine \_\_\_\_\_ London, 1960. The lives of teenage twins Maisy and Duncan change for ever the night their mother is sent away. Sent to live in the New Forest with their cold-hearted grandmother, Mrs Mitcham, they feel unloved and abandoned. And when one day Duncan doesn't come home from exploring in the forest, no one - least of all his grandmother - appears to care about his disappearance. The police, who've found the bodies of other missing boys, offer little hope of finding Duncan alive. Yet Maisy refuses to give up. Though she doesn't know the woods well, she knows someone who does. The strange old woman who lives at their heart . . . Dare Maisy enlist the help of the woman in the wood? And what will she find if she does? \_\_\_\_\_ 'A real page-turner, a family story that is multi-layered just as you'd expect from Lesley Pearce, who is deservedly one of the world's favourite story tellers' My Weekly 'Characters it is impossible not to care about . . . this is storytelling at its very best' Daily Mail

*The Woman Who Lived with Wolves* Feb 27 2020 Presents a collection of traditional stories told by the the Indians of the Great Plains of North America throughout their history.

**The Woman in the Mirror** Aug 27 2022 This is an extensive study of the history and literature of Jungian psychology, especially in relation to women's psychology. Dr. Douglas shows how 20th century psychology viewed the feminine most often as "other," the shadow-realm for man's projections, for the uncanny, the ambiguous and the immature. She recovers heretofore forgotten theory and writers who hold a fairer and more healing view.

**The Woman They Could Not Silence** Feb 18 2022 From the New York Times, USA Today, and Wall Street Journal bestselling author of *The Radium Girls* comes another dark and dramatic but ultimately uplifting tale of a forgotten woman whose inspirational journey sparked lasting change for women's rights and exposed injustices that still resonate today. 1860: As the clash between the states rolls slowly to a boil, Elizabeth Packard, housewife and mother of six, is facing her own battle. The enemy sits across the table and sleeps in the next room. Her husband of twenty-one years is plotting against her because he feels increasingly threatened--by Elizabeth's intellect, independence, and unwillingness to stifle her own thoughts. So Theophilus makes a plan to put his wife back in her place. One summer morning, he has her committed to an insane asylum. The horrific conditions inside the Illinois State Hospital in Jacksonville, Illinois, are overseen by Dr. Andrew McFarland, a man who will prove to be even more dangerous to Elizabeth than her traitorous husband. But most disturbing is that Elizabeth is not the only sane woman confined to the institution. There are many rational women on her ward who tell the same story: they've been committed not because they need medical treatment, but to keep them in line--conveniently labeled "crazy" so their voices are ignored. No one is willing to fight for their freedom and, disenfranchised both by gender

and the stigma of their supposed madness, they cannot possibly fight for themselves. But Elizabeth is about to discover that the merit of losing everything is that you then have nothing to lose... Bestselling author Kate Moore brings her sparkling narrative voice to *The Woman They Could Not Silence*, an unputdownable story of the forgotten woman who courageously fought for her own freedom--and in so doing freed millions more. Elizabeth's refusal to be silenced and her ceaseless quest for justice not only challenged the medical science of the day, and led to a giant leap forward in human rights, it also showcased the most salutary lesson: sometimes, the greatest heroes we have are those inside ourselves. "The glowing ghosts of the radium girls haunt us still."--NPR Books for *The Radium Girls*

*The Woman Who Smashed Codes* Jan 26 2020 National Bestseller NPR Best Book of the Year "Not all superheroes wear capes, and Elizebeth Smith Friedman should be the subject of a future Wonder Woman movie." —The New York Times Joining the ranks of *Hidden Figures* and *In the Garden of Beasts*, the incredible true story of the greatest codebreaking duo that ever lived, an American woman and her husband who invented the modern science of cryptology together and used it to confront the evils of their time, solving puzzles that unmasked Nazi spies and helped win World War II. In 1916, at the height of World War I, brilliant Shakespeare expert Elizebeth Smith went to work for an eccentric tycoon on his estate outside Chicago. The tycoon had close ties to the U.S. government, and he soon asked Elizebeth to apply her language skills to an exciting new venture: code-breaking. There she met the man who would become her husband, groundbreaking cryptologist William Friedman. Though she and Friedman are in many ways the "Adam and Eve" of the NSA, Elizebeth's story, incredibly, has never been told. In *The Woman Who Smashed Codes*, Jason Fagone chronicles the life of this extraordinary woman, who played an integral role in our nation's history for forty years. After World War I, Smith used her talents to catch gangsters and smugglers during Prohibition, then accepted a covert mission to discover and expose Nazi spy rings that were spreading like wildfire across South America, advancing ever closer to the United States. As World War II raged, Elizebeth fought a highly classified battle of wits against Hitler's Reich, cracking multiple versions of the Enigma machine used by German spies. Meanwhile, inside an Army vault in Washington, William worked furiously to break Purple, the Japanese version of Enigma—and eventually succeeded, at a terrible cost to his personal life. Fagone unveils America's code-breaking history through the prism of Smith's life, bringing into focus the unforgettable events and colorful personalities that would help shape modern intelligence. Blending the lively pace and compelling detail that are the hallmarks of Erik Larson's bestsellers with the atmosphere and intensity of *The Imitation Game*, *The Woman Who Smashed Codes* is page-turning popular history at its finest.

*The Woman Who Died a Lot* Feb 06 2021 The seventh installment in Jasper Fforde's New York Times bestselling series follows literary detective Thursday Next on another adventure in her alternate reality of literature-obsessed England—from the author of *Early Riser* With more than one million books in print worldwide, Jasper Fforde's beloved series charms a growing number of readers with each new adventure. In *The Woman Who Died a Lot*, Thursday Next faces her trickiest assignment yet. When her former SpecOps division is reinstated, Thursday assumes she's the obvious choice to lead the Literary Detectives. Instead, she's put in charge of the Swindon All-You-Can-Eat-at-Fatso's Drink Not Included Library. But where Thursday goes, trouble follows. As the new Chief Librarian faces one-hundred-percent budget cuts and the ever-evil Jack Schitt, the Next children face their own career hiccups—and possible nonexistence.

*The Woman Who Did (Feminist Classic)* Nov 29 2022 *The Woman Who Did* tells the story of the young, self-assured middle-class woman who defies convention as a matter of principle and who is fully prepared to suffer the consequences of her actions. Herminia Barton, the Cambridge-educated daughter of a clergyman, frees herself from her parents' influence, moves to London and starts living alone. As she is not a woman of independent means, she starts working as a teacher. When she meets and falls in love with Alan Merrick, a lawyer, she suggests they live together without getting

married. Reluctantly, he agrees, and the couple move to Italy. There, in Florence, Merrick dies of typhoid before their daughter Dolores is born. Legal technicalities and the fact that they were not married prevent Herminia from inheriting any of Merrick's money. Dreaming of being a role model for Dolores and her friends, Herminia returns to England and raises her daughter as a single mother.

**There Was an Old Woman Who Lived in a Book** Sep 23 2019 The True Story of the 3 Little Pigs meets There Was an Old Lady Who Swallowed a Fly in this clever, irreverent update of our most beloved children's classics. The little old woman who lives in a book has lost her children! But instead of sitting around and waiting for them to show up, in a refreshingly empowering, feminist take on the classic tale, she departs on a mission to find her kids herself--even if it means popping into every other fairy tale and nursery rhyme in town! She'll enlist the help of Humpty Dumpty, Jack and his beanstalk, Princess Beauty, the Three Bears, and more familiar characters in her quest to rescue her kids. This silly, irreverent picture book is a clever jaunt through our most beloved children's stories--and it's sure to become the next modern day classic.

*The Woman Who Wouldn't Talk* Mar 29 2020 The New York Times bestseller and Book Sense 76 pick is now in paperback. This is the book by Whitewater warrior Susan McDougal that created a media sensation, with author appearances on Today, The O'Reilly Factor, Larry King, Crossfire, FOX Morning News, and The CBS Early Show; and a controversial review in The New York Times that generated chat all over the Internet, and the newspaper's own printed correction. Breaking her silence on the Whitewater affair and giving a moving portrait of what happens to women in American prisons, McDougal's book is a must-read for Americans of all political stripes and for everyone concerned about wrongful conviction and imprisonment. Black-and-white photographs are included.
