It's the revolutionary world history study guide just for middle school students from the brains behind Brain Quest. Everything You Need to Ace World History . . . kicks off with the Paleolithic Era and transports the reader to ancient civilizations—from Africa and beyond; the middle ages across the world; the Renaissance; the age of exploration and colonialism, revolutions, and the modern world and the wars and movements that shaped it. The BIG FAT NOTEBOOK™ series is built on a simple and irresistible conceit—borrowing the notes from the smartest kid in class. There are five books in all, and each is the only one book you need for each main subject taught in middle school: Math, Science, American History, English, and World History. Inside the reader will find every subject's key concepts, easily digested and summarized: Critical ideas highlighted in marker colors. Definitions explained. Doodles that illuminate tricky concepts. Mnemonics for a memorable shortcut. And quizzes to recap it all. The BIG FAT NOTEBOOKS meet Common Core State Standards, Next Generation Science Standards, and state history standards, and are vetted by National and State Teacher of the Year Award-winning teachers. They make learning fun, and are the perfect next step for every kid who grew up on Brain Quest. This book delivers relevant tools that aspiring professionals and industry veterans can apply to the clients of today, including behavior change expertise, coaching philosophy, and new technical standards for fitness. From the editors of Brain Quest, America's #1 educational bestseller! This Big Fat Notebook makes it all “sink in” with key concepts, mnemonic devices, definitions, diagrams, and doodles to help you understand computer science. Including: Computing systems Binary code Algorithms Computational thinking Loops, events, and procedures Programming in Scratch and Python Boolean Expressions Web development Cybersecurity HTML CSS ...and more! We've all been there: a new school year starts and there's 8 months till your exams - that's plenty of time, right? Then there's 6 months, 3 months, 1 month and oh, now there's 2 weeks left and you haven't started studying... What happens next is a panic-induced mayhem of highlighting everything in the textbook (without even questioning if it's actually helpful). But I'm here to help you change this! In The Only Study Guide You'll Ever Need, I'll cover a range of different topics including: · How to get started and pick up that pen · Learning techniques that actually work (hello, science of memory!) · The dos and don'ts of timetabling · And combatting fear of failure, perfectionism, exam stress and so much more! As a fellow student now at university, I definitely don't have a PhD in Exam Etiquette but this is the book younger me needed. All I wanted was one place that had a variety of tried-and-tested methods with reassurance from someone who had recently been through the education system. The Only Study Guide You'll Ever Need is just that, and I have collected the best techniques and tools I wish I'd known earlier to help you get through your studies and smash your exams! When it comes to the ACE Personal Trainer Certification Exam, you want to be prepared, and you will be with our book designed to making studying fun and easy! You don't want to waste time - and money! - taking your ACE Personal Trainer Certification exam twice...or more. You want to accelerate your education, not miss opportunities for starting your future career! Every year, thousands of people think that they are ready for the ACE Personal Trainer Certification, but realize too late when they get their score back that they were not ready at all. They weren't incapable, and they certainly did their best, but they simply weren't studying the right way. There are a variety of methods to prepare for the ACE Personal Trainer Certification....and they get a variety of results. Trivium Test Prep's ACE Personal Trainer Certification Study Guide provides the

information, secrets, and confidence needed to get you the score you need the first time around. Losing points on the ACE Personal Trainer Certification can cost you precious time, money, and effort that you shouldn't have to spend. What is in the book? In our ACE Personal Trainer Certification study guide, you get the most comprehensive review of all tested concepts. The subjects are easy to understand, and have fully-explained example questions to ensure that you master the material. Best of all, we show you how this information will be applied on the real exam; ACE Personal Trainer Certification practice questions are included so that you can know, without a doubt, that you are prepared. Our study guide is streamlined and concept-driven not filled with excess junk, silly attempts at humor, or confusing filler so you get better results through more effective study time. Why spend days or even weeks reading through meaningless junk, trying to sort out the helpful information from the fluff? We give you everything you need to know in a concise, comprehensive, and effective package. Why trust Trivium Test Prep? Our ACE Personal Trainer Certification study materials are created by industry and educational experts. Other study guides simply tell you what is on the test, not how that material is applied or, more importantly, HOW TO STUDY FOR IT. Trivium study guides are different. Our dedicated professionals know how people think and learn, and have created the ACE Personal Trainer Certification study guide based on what research has shown to be the fastest, easiest, and most effective way to prepare for the exam. Unlike other study guides that are stamped out in a generic fashion, our ACE Personal Trainer Certification study guide is specifically tailored for your exact needs. It's the revolutionary science study guide just for middle school students from the brains behind Brain Quest. Everything You Need to Ace Science . . . takes readers from scientific investigation and the engineering design process to the Periodic Table; forces and motion; outer space and the solar system; to earth sciences, biology, body systems, ecology, and more. The BIG FAT NOTEBOOK™ series is built on a simple and irresistible conceit—borrowing the notes from the smartest kid in class. There are five books in all, and each is the only book you need for each main subject taught in middle school: Math, Science, American History, English Language Arts, and World History. Inside the reader will find every subject's key concepts, easily digested and summarized: Critical ideas highlighted in neon colors. Definitions explained. Doodles that illuminate tricky concepts in marker. Mnemonics for memorable shortcuts. And quizzes to recap it all. The BIG FAT NOTEBOOKS meet Common Core State Standards, Next Generation Science Standards, and state history standards, and are vetted by National and State Teacher of the Year Award-winning teachers. They make learning fun, and are the perfect next step for every kid who grew up on Brain Quest.
