[La Papauté et les croisades / The Papacy and the Crusades](#) Mar 25 2022 This volume brings together a selection of the papers on the theme of the Papacy and the Crusades, delivered at the 7th Congress of the Society for the Study of the Crusades and the Latin East. After the introduction by Michel Balard, the first papers examine aspects of crusader terminology. The next section deals with events and perceptions in the West, including papers on the crusades against the Albigensians and Frederick II, and on the situation in the Iberian peninsula. There follow studies on relations between crusaders and the local populations in the Byzantine world after 1204 and Frankish Greece, and in Cilician Armenia, while a final pair looks at papal interventions in Poland and Scandinavia.

[Europäische Musiker in Venedig, Rom und Neapel 1650-1750](#) Oct 27 2019 Der Abschlussband des deutsch-französischen ANR-DFG-Projekts MUSICI widmet sich der Musikermigration im Europa der Frühen Neuzeit mit einem kultur- und musikgeschichtlichen Blick auf Venedig, Rom und Neapel als Reiseziele und Wirkungsorte von Instrumentalisten, Sängern, Komponisten und Instrumentenbauern, die nicht von der italienischen Halbinsel stammten. Im Sinne einer "histoire croisée" werden Netzwerke, Integrations- und Austauschprozesse aufgedeckt, mit denen fremde Musiker zwischen musikalischem Alltag und herausragenden Festlichkeiten konfrontiert waren. Auf dieser Grundlage wird eine systematische Betrachtung der frühneuzeitlichen Musikermigration sowie eine Untersuchung musikalischer Stile jenseits nationaler Forschungstraditionen möglich.

[Elizabeth of the Trinity](#) Sep 06 2020 Available in English for the first time, this short book is a powerful introduction to the spiritual wisdom of one of the Church's newest saints: Elizabeth of the Trinity. There was nothing extraordinary in Elizabeth of the Trinity's life. There were no ecstasies. She didn't work miracles. She didn't communicate heavenly messages through visions or words she heard. Instead, she presented a message to modern man through her own life of fidelity, showing us that the true road to contemplative prayer is not an ascent to grasp God, but a descent into the depths of one's heart. She teaches us that only by drawing our souls inwardly can we move toward bold abandonment and achieve immersion in God, thereby connecting our spiritual lives to the eternal praise of the saints in heaven. In our noisy culture, Elizabeth of the Trinity reminds us of God's power to establish in us a profound and peaceful stillness. She reminds us that that the Trinity is our home, and that God has created us in order to be united to Christ. In these pages, Sister Giovanna della Croce presents a brief and readable introduction to the teachings of Elizabeth of the Trinity, showing us the truth path to contemplative prayer. St. John Paul II considered Elizabeth of the Trinity to be one of the most influential mystics in his spiritual life. Now you, too, can begin incorporating in your own spiritual life the mystical wisdom of Elizabeth of the Trinity.

[The Long Road to Gold](#) Sep 30 2022 I entered the New York Police Academy in 1965 and my first assignment was to the 23rd Precinct and then 13th Precinct on patrol and also with their Anti-Crime Unit. In 1970 I attended the Criminal Investigations Course and was assigned to Plainclothes duties with the Organized Crime Control Bureau investigating

Gambling, Prostitution and Narcotics violations in Queens County. In 1974 I was transferred to the Special Operations Section. This unit was tasked with the investigation and surveillance of the Five New York Crime Families (Gambino, Columbo, Genovese, Giganti and Luchese). For several months I operated in an undercover capacity posing as a corrupt officer during which time the operation netted over \$50,000 in cash and merchandise including an all- expense paid trip to Las Vegas for myself and my partner. We were being tested to see if we really were corrupt. As a result of this investigation over 40 members of Organized Crime were arrested and convicted. In 1979 I was promoted to Detective 3rd Grade and transferred to Queens County District Attorney's Squad, where I continued my investigations of Organized Crime with the investigation of John Gotti and his crime family. This investigation led to my promotion to Detective 2nd Grade. In 1985 I retired after 20 years of service.
