A comprehensively revised and expanded new edition of Danu Morrigan's #1 bestselling book, which has helped tens of thousands of daughters of narcissistic mothers around the world. Do you find yourself emotionally bruised, upset and confused after being in touch with your mother? Do you somehow feel like you're not a real person in her company? If so, you are far from alone. Millions of daughters experience the same hall-of-mirrors dizziness. Many of them have come to the conclusion that their mother has Narcissistic Personality Disorder, and that explains all that they have suffered. This book explores this - maybe it will resonate for

you the same way and make you feel understood and validated as never before. This new edition includes a wealth of new insight and understanding learned by Danu over the last ten years, including: Clarity about escaping the toxic dynamic, through The Four Steps to Freedom; managing our fear of regretting our decisions; how Stories steer us without us realising; the NM's performative kindness and performative love; overcoming the trap of The Silent Treatment; distinguishing narcissistic 'niceness' from genuine decency; how to recognise, get, and contribute to healthy relationships. "You will devour these beautifully written—and very important—tales of honesty, pain, and resilience" (Elizabeth Gilbert, New York Times bestselling author of Eat Pray Love and City of Girls) from fifteen brilliant writers who explore how what we don't talk about with our mothers affects us, for better or for worse. As an undergraduate, Michele Filgate started writing an essay about being abused by her stepfather. It took her more than a decade to realize that she was actually trying to write about how this affected her relationship with her mother. When it was finally published, the essay went viral, shared on social media by Anne Lamott, Rebecca Solnit, and many others. This gave Filgate an idea, and the resulting anthology offers a candid look at our relationships with our mothers. Leslie Jamison writes about trying to discover who her seemingly perfect mother was before ever becoming a mom. In Cathi Hanauer's hilarious piece, she finally gets a chance to have a conversation with her mother that isn't interrupted by her domineering (but lovable) father. André Aciman writes about what it was like to have a deaf mother. Melissa Febos uses mythology as a lens to look at her close-knit relationship with her psychotherapist mother. And Julianna Baggott talks about having a mom

who tells her everything. As Filgate writes, "Our mothers are our first homes, and that's why we're always trying to return to them." There's relief in acknowledging how what we couldn't say for so long is a way to heal our relationships with others and, perhaps most important, with ourselves. Contributions by Cathi Hanauer, Melissa Febos, Alexander Chee, Dylan Landis, Bernice L. McFadden, Julianna Baggott, Lynn Steger Strong, Kiese Laymon, Carmen Maria Machado, André Aciman, Sari Botton, Nayomi Munaweera, Brandon Taylor, and Leslie Jamison. From the cross Jesus gave us his mother to be our mother, too: a singularly holy model, consoler, and intercessor for our spiritual journey. Yet most Protestants, and too many Catholics don't understand the role that God wants her to play in our lives. In *Behold Your Mother*, Tim Staples takes you through the Church's teachings about the Blessed Virgin Mary, showing their firm Scriptural and historical roots and dismantling the objections of those who mistakenly believe that Mary competes for the attention due Christ alone. Combining the best recent scholarship with a convert's in-depth knowledge of the arguments, Staples has assembled the most thorough and useful Marian apologetic you'll find anywhere. Relevant and essential -- Mary matters. Read *Behold Your Mother* and find out just how much. Your kids will enjoy this classic story even more in this beautiful Read & Listen edition. A baby bird is hatched while his mother is away. Fallen from his nest, he sets out to look for her and asks everyone he meets—including a dog, a cow, and a plane—"Are you my mother?" This ebook includes Read & Listen audio narration. Traces the history of the Atlantic slave trade by recounting a journey the author took along a slave route in Ghana, vividly dramatizing the effects of slavery on three centuries of African and African-American history. Shortly after Albert Cohen left France for London to escape the Nazis, he received news of his mother's death in Marseille. Unable to mourn her, he expressed his grief in a series of moving pieces for *La France libre*, which later grew into *Book of My Mother*. Achingly honest, intimate, and moving, this love song is a tribute to all mothers. Cohen himself expressed, "I shall not have written in vain if one of you, after reading my hymn of death, is one evening gentler with his mother because of me and

my mother." From the Trade Paperback edition. Foster a loving relationship between mother and child in this beautiful picture book! Through simple verse and bright illustrations, P. K. Hallinan illustrates the unconditional love that a mother has for her child. Moms are more than parents, they can be friends too! They can make you laugh, play games like hide-and-seek, or simply be there to read a book or take a stroll with. Mothers are there for their boys and girls no matter what, whether it's healing hurts, or teaching lessons about caring and giving and the value of hard work. There's no true friend like a mom! Through the easy-to-read verses of this adorable illustrated book, your child will learn that their mom will always be their best friend. Whether you read it at bedtime or any point of the day, *My Mother and I* is the perfect book for showing your child just how much you love them as they're growing up. A mother tells her own daughter what she was like and what she used to do when she was a little girl. Ever wonder why so many people pay so much attention to Mary, the Mother of Jesus? From the most ancient traditions of Mary in Christianity to the "Hail Mary" pass in American football, the Mother of Jesus has pervaded most world cultures for the last two thousand years. But could the Mother of Jesus also be your mother? That's the question explored in the exciting new book, *Meet Your Mother*. This easy-read pocket book on Mary covers all the major teachings about the Mother of Jesus, but is particularly written for the person who has little or no background knowledge about her. Authored by Dr. Mark Miravalle, (a professor who has taught and written about Mary for over 25 years), *Meet Your Mother* is the perfect little book to introduce someone to the life and truth about Jesus' Mother, but also to renew a person's existing knowledge and love for the woman believed to have brought Jesus into the world, and who Jesus gave personally to every human being with his dying words, "This is your mother." Here's an excerpt from the Introduction of *Meet Your Mother*: This little book is about your Mother. I know, you might not see her as that right now, but that's the point of the book—to meet her, if you do not already know her, and if you do already know her, to love her more... Now, please consider reading on, even if you do not consider Jesus to be

your best friend, and/or if you don't presently believe Mary, the Mother of Jesus, is your spiritual mother. I would be honored if you would at least give me the chance to try to explain why I believe you do, in fact, have the most beautiful and the most perfect mother in the world - a maternal gift of love and sacrifice from the dying Jesus, personally, to you. If nothing else, you may have a new understanding of why well over 1.5 billion people living today do believe they have the Mother of Jesus as their own spiritual mother as well. And beyond Catholics and Orthodox Christians, there are millions and millions of other members of our human family, including many Protestant Christians, Muslims, and other world religions who give a special place of honor to the Mother of Jesus. A New York Times Notable Book A Library Journal Best Book of 2021 A "marvelous...superbly effective" (The New Yorker) debut novel about a young woman coming of age with a dazzling yet damaged mother who lived and loved in extremes. Met by rave reviews in The New Yorker, The New York Times, and more, this stunning translation of Violaine Huisman's "witty, immersive autofiction showcases a Parisian childhood with a charismatic, depressed parent" (Oprah Daily). Beautiful and magnetic, Catherine, a.k.a. "Maman," smokes too much, drives too fast, laughs too hard, and loves too extravagantly, and her daughter Violaine wouldn't have it any other way. But when Maman is hospitalized after a third divorce and a breakdown, everything changes. Even as Violaine and her sister long for their mother's return, once she's back Maman's violent mood swings and flagrant disregard for personal boundaries soon turn their home into an emotional landmine. As the story of Catherine's own traumatic childhood and adolescence unfolds, the pieces come together to form an indelible portrait of a mother as irresistible as she is impossible, as triumphant as she is transgressive. With spectacular ferocity of language, a streak of dark humor, and stunning emotional bravery, The Book of Mother is an exquisitely wrought story of a mother's dizzying heights and devastating lows, and a daughter who must hold her memory close in order to surrender, and finally move on. Don't let the opportunity pass to find out the story that matters most. A Message from Mike Rowe, the Dirty Jobs Guy: Just to be clear, About My

Mother is a book about my grandmother, written by my mother. That's not to say it's not about my mother—it is. In fact, About My Mother is as much about my mother as it is about my grandmother. In that sense, it's really a book about "mothers." ...It is not, however, a book written by me. True, I did write the foreword. But it doesn't mean I've written a book about my mother. I haven't. Nor does it mean my mother's book is about her son. It isn't. It's about my grandmother. And my mother. Just to be clear.—Mike A love letter to mothers everywhere, About My Mother will make you laugh and cry—and see yourself in its reflection. Peggy Rowe's story of growing up as the daughter of Thelma Knobel is filled with warmth and humor. But Thelma could be your mother—there's a Thelma in everyone's life. She's the person taking charge—the one who knows instinctively how things should be. Today Thelma would be described as an alpha personality, but while growing up, her daughter Peggy saw her as a dictator—albeit a benevolent, loving one. They clashed from the beginning—Peggy, the horse-crazy tomboy, and Thelma, the genteel-yet-still-controlling mother, committed to raising two refined, ladylike daughters. Good luck. When major league baseball came to town in the early 1950s and turned sophisticated Thelma into a crazed Baltimore Orioles groupie, nobody was more surprised and embarrassed than Peggy. Life became a series of compromises—Thelma tolerating a daughter who pitched manure and galloped the countryside, while Peggy learned to tolerate the whacky Orioles fan who threw her underwear at the television, shouted insults at umpires, and lived by the orange-and-black schedule taped to the refrigerator door. Sometimes, we're more alike than we know. And in case you're wondering, Peggy knows a thing or two about dirty jobs herself... Are you hurting because of your relationship with your mother? Have you ever wished you'll find the way to stop suffering about it? If you have, then, this book is for you. For nearly thirty years, Nurit Asnash has attempted to unravel the mystery of mothers and figure out why it troubles millions of people worldwide. More than that, she wanted to find the way out of the suffering! When she discovered The Work of Byron Katie, she has found what she was looking for. Applying her skills in Behavioral Sciences research, and

adopting Katie's teachings of *The Work*, she put together the wisdom of people practicing *The Work* on their mother. Here you will find 19 dialogues from casual, daily interactions to scenes of violence that span from childhood to adulthood and will give you eye-opening insights. Put together, these dialogues create a journey of self-discovery into who we are without and beyond our story and identity created around our mother. You'll get a deep understanding about the dynamics of mother-child relationship played in: sibling rivalry mother-father-child triangle role switching, parental children the dependence on mother's love, approval and appreciation illness, death, and more Although the focus here is Mother, the insights are applicable to other relationships you have, like father, brother, sister, spouse/partner, children, boss, and others. Through the practice of *The Work*'s simple Inquiry process, you can access to your inner wisdom and reclaim your happiness and freedom. With Inquiry you can discover, who would you be without your story of your mother? What would your life look like? The magic and brilliance of *The Work* of Byron Katie lies in its simplicity - it's only four questions and turnarounds. Anyone can do it. Roll up your sleeves and let's get to Work! Do you feel like your partner has become your child? Do you find yourself being his maid, his cook, his manager? Have romance, respect, fun—and sex—been drained out of your relationship? In *How Can I Be Your Lover When I'm Too Busy Being Your Mother?* Sara Dimerman and J.M. Kearns lay bare an essential problem: the woman who finds she's turned into a mother to her man instead of the equal and intimate partner she once was. She has a day job just like he does, yet at home she finds herself doing most of the housework, running the home, and being in charge of the child-rearing, which makes her his boss in the one place they spend most of their time together. This leaves her feeling angry and resentful—hardly conducive to being lovers. Dimerman and Kearns boldly confront the issues, allowing both sexes to vent in a no-holds-barred exchange that ranges from hostile to hilarious. They deconstruct the problem using real-life examples and lay out a step-by-step path that will enable any couple to get back to being equal partners again. Edward is kind-hearted and always keen to help a friend

in need. The small engines trust him to lend a listening ear and sympathetic advice. He is a hard worker too, and always does his best to finish a job. Inspires children to develop good manners through fun stories inspired by the Prophet Muhammad. "A book of great value for every daughter and every mother; useful for sons, too."—Benjamin Spock, M.D. From the Introduction: The goal of this book is to help readers achieve that separation so that they can either find a way to be friends with their mothers, or at least recognize and accept that their mothers did the best they could—even if it wasn't "good enough"—and to stop blaming them. Among the issues to be covered:

- To understand how a daughter's attachment to her mother—more so than her relationship with her father—colors all her other relationships, and to analyze why it is more difficult for daughters than sons to separate from their mothers, as well as why daughters are more subject than sons to a mother's manipulation
- To recognize the difference between a healthy and a destructive mother-daughter connection, and to define clearly the "bad mommy," in order to help readers who have trouble acknowledging their childhood losses to begin to comprehend them
- To conjugate what I call the "Bad Mommy Taboo"—why our culture is more eager to protect the sanctity of maternity than it is to protect emotionally abused daughters
- To describe the evolution of the "unpleasable" mother—in all likelihood, she was bereft of maternal love as a child—and to recognize the huge, and often poignant, stake she has in keeping her grown daughter dependent and off-balance
- To illustrate the consequent controlling behavior—in some cases, cloaked in fragility or good intentions—of such mothers, which falls into general patterns, including: the Doormat, the Critic, the Smotherer, the Avenger, the Deserter
- To understand that the daughter has a similar stake in either being a slave to or hating her mother—the two sides of her dependency and immaturity
- To illustrate the responsive behavior—and survival mechanisms —of daughters, which is determined in part by such variables as birth rank, family history, and temperament, and which also falls into patterns, including: the Angel, the Superachiever, the Cipher, the Troublemaker, the Defector
- To show how to redefine the mother-

daughter relationship, so that each can learn to see and accept the other as she is today, appreciating each other's good qualities and not being snared by the bad • Finally, to demonstrate that a redefined relationship with one's mother—adult to adult—frees you from the past, whether that re definition ultimately results in real friendship, affectionate truce, or divorce. Ever wonder why so many people pay so much attention to Mary, the Mother of Jesus? From the most ancient traditions of Mary in Christianity to the 'Hail Mary' pass in American football, the Mother of Jesus has pervaded most world cultures for the last two thousand years. But could the Mother of Jesus also be your mother? That's the question explored in the exciting new book, *Meet Your Mother*. This easy-read pocket book on Mary covers all the major teachings about the Mother of Jesus, but is particularly written for the person who has little or no background knowledge about her. Authored by Dr. Mark Miravalle, renowned Marian expert and professor who has taught and written about Mary for over 25 years, *Meet Your Mother* is the perfect little book to introduce someone to the life and truth about Jesus' Mother, but also to renew a person's existing knowledge and love for the woman believed to have brought Jesus into the world, and who Jesus gave personally to every human being with his dying words, 'This is your mother.' What's the right thing to do for mom and dad as they get older? Thanks to advances in science and medicine, more of our parents are living longer than ever before. And though we are rewarded with more time with the people we love, we are also faced with new sets of complications—more diseases, more disability, more need for support and careful judgments. Yet while our health care system may help people live to an older age, it doesn't perform so well when decline eventually sets in. We want to do the best thing but are overwhelmed with the staggering choices we face. Geriatrician Dennis McCullough has spent his life helping families to cope with their parents' aging and eventual final passage, experiences he faced with his own mother. In this comforting and much-needed book, he recommends a new approach, which he terms "Slow Medicine." Shaped by common sense and kindness, grounded in traditional medicine yet receptive to alternative therapies, *Slow Medicine* advocates for careful

anticipatory "attending" to an elder's changing needs rather than waiting for crises that force acute medical interventions—an approach that improves the quality of elders' extended late lives without bankrupting their families financially or emotionally. As Dr. McCullough argues, we need to learn that time and kindness are sometimes more important and humane at these late stages than state-of-the-art medical interventions. *My Mother, Your Mother* will help you learn how to: —form an early and strong partnership with your parents and siblings; —strategize on connecting with doctors and other care providers; —navigate medical crises; —create a committed Advocacy Team; —reach out with greater empathy and awareness; and —face the end-of-life time with confidence and skill. Although taking care of those who have always cared for us is not an easily navigated time of life, *My Mother, Your Mother* will help you and your family to prepare for this complex journey. This is not a plan for getting ready to die; it is a plan for understanding, for caring, and for helping those you love live well during their final years. And the time to start is now. We love our moms, but sometimes they make for the perfect comedy. We love our moms, but sometimes they make for the perfect comedy. From awkward questions to nagging phone calls, sometimes a mother's love can be smothering. Laugh along with some of mom's greatest follies, from the times she wants to set you up on a date with a doctor to checking to making sure you've eaten. The perfect gift for stressed out siblings and good-humored mothers alike, this book will have you in stitches. The latest edition in the Curio series, this pocket-sized book is perfect for laughter on the go. **A New York Times Editor's Choice selection!** This outrageous and hilarious memoir follows a film and television director's life, from his idiosyncratic upbringing to his unexpected career as the director behind such huge film franchises as *The Addams Family* and *Men in Black*. Barry Sonnenfeld's philosophy is, "Regret the Past. Fear the Present. Dread the Future." Told in his unmistakable voice, Barry Sonnenfeld, *Call Your Mother* is a laugh-out-loud memoir about coming of age. Constantly threatened with suicide by his over-protective mother, disillusioned by the father he worshiped, and abused by a demonic relative, Sonnenfeld somehow went on to become

one of Hollywood's most successful producers and directors. Written with poignant insight and real-life irony, the book follows Sonnenfeld from childhood as a French horn player through graduate film school at NYU, where he developed his talent for cinematography. His first job after graduating was shooting nine feature length pornos in nine days. From that humble entrée, he went on to form a friendship with the Coen Brothers, launching his career shooting their first three films. Though Sonnenfeld had no ambition to direct, Scott Rudin convinced him to be the director of *The Addams Family*. It was a successful career move. He went on to direct many more films and television shows. Will Smith once joked that he wanted to take Sonnenfeld to Philadelphia public schools and say, "If this guy could end up as a successful film director on big budget films, anyone can." This book is a fascinating and hilarious roadmap for anyone who thinks they can't succeed in life because of a rough beginning. From international bestselling author Liz Climo comes *You're Mom*, a hilarious and relatable collection of original comics about motherhood. Moms: they are there for us through the good, the bad, the scary, the sticky, and everything in between. They also read us a lot of picture books along the way, and now there's a picture book just for them. Liz Climo brings her trademark wit and adorable drawings to *You're Mom*: a funny, honest, and sweet homage to motherhood. Detailing the ups and downs of mothering, along with the many paths to becoming a mom and the different types of motherhood, Climo pairs humorous observations with clever illustrations of baby animals and their mothers. With more than 100 beautiful drawings, *You're Mom* is a book for the new mom, the seasoned mom, anyone in a mom-like role, or anyone who has ever loved a mom. It's a thank you to those taking on the challenging role of parenting - and it's also short and sweet, which means you can read it and then hopefully get some sleep! The New York Times bestselling graphic memoir about Alison Bechdel, author of *Fun Home*, becoming the artist her mother wanted to be. Alison Bechdel's *Fun Home* was a pop culture and literary phenomenon. Now, a second thrilling tale of filial sleuthery, this time about her mother: voracious reader, music lover, passionate amateur actor. Also a woman, unhappily

married to a closeted gay man, whose artistic aspirations simmered under the surface of Bechdel's childhood...and who stopped touching or kissing her daughter good night, forever, when she was seven. Poignantly, hilariously, Bechdel embarks on a quest for answers concerning the mother-daughter gulf. It's a richly layered search that leads readers from the fascinating life and work of the iconic twentieth-century psychoanalyst Donald Winnicott, to one explosively illuminating Dr. Seuss illustration, to Bechdel's own (serially monogamous) adult love life. And, finally, back to Mother—to a truce, fragile and real-time, that will move and astonish all adult children of gifted mothers. A New York Times, USA Today, Time, Slate, and Barnes & Noble Best Book of the Year "As complicated, brainy, inventive and satisfying as the finest prose memoirs."—New York Times Book Review "A work of the most humane kind of genius, bravely going right to the heart of things: why we are who we are. It's also incredibly funny. And visually stunning. And page-turningly addictive. And heartbreaking."—Jonathan Safran Foer "Many of us are living out the un-lived lives of our mothers. Alison Bechdel has written a graphic novel about this; sort of like a comic book by Virginia Woolf. You won't believe it until you read it—and you must!"—Gloria Steinem I'm greeted by the strangest sight. A small dark-haired boy is standing there. It's like he's a human parcel, delivered to my front door. 'My name is Luke,' he says. When Johnny meets Lauren in a bar in Santa Cruz, there's an instant connection. On an American road trip with best friend Will, Johnny promises to return to the girl who has stolen his heart. Until tragedy strikes, forcing Johnny to fly back home without ever seeing Lauren again. Six years later, Johnny is living his life in London, even if he's never forgotten the girl with the grey eyes and dark hair. Until one September morning, he opens his door to find a little boy standing there - a child, Johnny quickly comes to learn, who was created that one magical night. Lauren is dying, and her last wish is to reunite five-year-old Luke with the father he doesn't yet know. Thrown into unexpected parenthood, Johnny finds himself navigating school-gate politics, Disney movies and tantrums, guided by the notes Lauren has written for him. Life as an instant dad isn't always easy, but as Johnny

and Luke open their hearts to each other, Johnny is about to discover that life's joy isn't always where you expected it. An emotional, feel-good read that will have you laughing while you wipe away a tear - readers of Dani Atkins, Mike Gayle and Jojo Moyes will be captivated. A boy tells his father all the special things he would do for him if their positions were reversed and he was the father. The jar of coins is full. The day has come to buy the chair - the big, fat, comfortable, wonderful chair they have been saving for. The chair that will replace the one that was burned up - along with everything else - in the terrible fire. A book of love and tenderness filled with the affirmation of life. #1 NEW YORK TIMES BESTSELLER #1 INTERNATIONAL BESTSELLER A heartbreaking and hilarious memoir by iCarly and Sam & Cat star Jennette McCurdy about her struggles as a former child actor—including eating disorders, addiction, and a complicated relationship with her overbearing mother—and how she retook control of her life. Jennette McCurdy was six years old when she had her first acting audition. Her mother's dream was for her only daughter to become a star, and Jennette would do anything to make her mother happy. So she went along with what Mom called "calorie restriction," eating little and weighing herself five times a day. She endured extensive at-home makeovers while Mom chided, "Your eyelashes are invisible, okay? You think Dakota Fanning doesn't tint hers?" She was even showered by Mom until age sixteen while sharing her diaries, email, and all her income. In *I'm Glad My Mom Died*, Jennette recounts all this in unflinching detail—just as she chronicles what happens when the dream finally comes true. Cast in a new Nickelodeon series called *iCarly*, she is thrust into fame. Though Mom is ecstatic, emailing fan club moderators and getting on a first-name basis with the paparazzi ("Hi Gale!"), Jennette is riddled with anxiety, shame, and self-loathing, which manifest into eating disorders, addiction, and a series of unhealthy relationships. These issues only get worse when, soon after taking the lead in the *iCarly* spinoff *Sam & Cat* alongside Ariana Grande, her mother dies of cancer. Finally, after discovering therapy and quitting acting, Jennette embarks on recovery and decides for the first time in her life what she really wants. Told with refreshing candor and

dark humor, *I'm Glad My Mom Died* is an inspiring story of resilience, independence, and the joy of shampooing your own hair. Drawing on real historical documents but infused with the intensity of imagination, sly humor, and intellectual fire for which award-winning author Rivka Galchen's writing is known, *Everyone Knows Your Mother Is a Witch* is a tale for our time—the story of how a community becomes implicated in collective aggression and hysterical fear. The year is 1619, in the German duchy of Württemberg. Plague is spreading. The Thirty Years War has begun, and fear and suspicion are in the air throughout the Holy Roman Empire. In the small town of Leonberg, Katherina Kepler is accused of being a witch. An illiterate widow, Katherina is known by her neighbors for her herbal remedies and the success of her children, including her eldest, Johannes, who is the Imperial Mathematician and renowned author of the laws of planetary motion. It's enough to make anyone jealous, and Katherina has done herself no favors by being out and about and in everyone's business. So when the deranged and insipid Ursula Reinbold (or as Katherina calls her, the Werewolf) accuses Katherina of offering her a bitter, witchy drink that has made her ill, Katherina is in trouble. Her scientist son must turn his attention from the music of the spheres to the job of defending his mother. Facing the threat of financial ruin, torture, and even execution, Katherina tells her side of the story to her friend and next-door neighbor Simon, a reclusive widower imperiled by his own secrets. Provocative and entertaining, Galchen's bold new novel touchingly illuminates a society, and a family, undone by superstition, the state, and the mortal convulsions of history. Is there life with your kids once you've raised them? In this groundbreaking book, a best-selling author and psychologist (and the mother of grown children, too) shows you how to keep your family together for a lifetime. Dr. Spock didn't tell you about Postparenthood, but Jane Adams does—in this wise, warm, witty, commonsense guide to creating a close, loving relationship with your grown children. You raised your kids to be independent, strong, and think for themselves. So once they're grown, why is it so hard to let them do it? Jane Adams interviewed over a hundred mothers and fathers of young adults to learn

how they've created closer, more authentic relationships with their kids than they had with their own parents. She offers practical wisdom about how to keep families together even when distance tugs at the ties that bind. Sensible tips on holding them close to your hearts while getting them out of your house. Good advice about helping them start their careers. And first-hand strategies on getting along with their mates, giving or lending them money, offering or asking advice, being a great grandparent, coming to terms with their lifestyles, and preparing both generations for the future. Like philosophy itself, *How I Met Your Mother* has everyone thinking. How does a successful show that's been on the air for years suddenly become a hit in its fifth and sixth season? Have you ever wondered why you identify so strongly with Barney despite the fact that he's such a douche? Or why your life story doesn't make sense until you know the ending—or at least, the middle? Or where the Bro Code came from and why it's so powerful? Or why you'd sooner miss the hottest date in your life than have to live in New Jersey? Of course you have, or if you haven't, you'll clearly remember from now on that you have. *How I Met Your Mother* and *Philosophy* answers all these questions and a whole lot more, including one or two that even you may not have thought of. Twenty of the awesome-est philosophers ever congregated in one bar have come together to quaff a few drinks—and to analyze this most awesomely philosophical of sit-coms. They poke, prod, and sniff at such momentous matters as the metaphysics of possible worlds, the misdeeds of Goliath National Bank, the ontology of waiting to get slapped, the epistemology of sexual attraction, why the Platinum Rule is to never love thy neighbor, the authenticity of censoring yourself, the ethics of doing bad things with partly good intentions, why future Ted's opinions matter to present-day Ted, whether it's irrational to wait for the Slutty Pumpkin, and why Canadians have that strange Canadian slant on things. This book shows that viewers of *How I Met Your Mother* and *Philosophy* know that philosophy is much more than a song and dance routine. Irreverent, thought-provoking, hilarious, and edgy: a collection of personal stories celebrating motherhood, featuring #1 New York Times bestselling authors Jenny Lawson and Jennifer Weiner, and many

other notable writers. *Listen to Your Mother* is a fantastic awakening of why our mothers are important, taking readers on a journey through motherhood in all of its complexity, diversity, and humor. Based on the sensational national performance movement, *Listen to Your Mother* showcases the experiences of ordinary people of all racial, gender, and age backgrounds, from every corner of the country. This collection of essays celebrates and validates what it means to be a mother today, with honesty and candor that is arrestingly stimulating and refreshing. The stories are raw, honest, poignant, and sometimes raunchy, ranging from adoption, assimilation to emptying nests; first-time motherhood, foster-parenting, to infertility; single-parenting, LGBTQ parenting, to special-needs parenting; step-mothering; never mothering, to surrogacy; and mothering through illness to mothering through unsolicited advice. Honest, funny, and heart-wrenching, these personal stories are the collective voice of mothers among us. Whether you are one, have one, or know one, *Listen to Your Mother* is an emotional whirlwind that is guaranteed to entertain, amuse, and enlighten. Trusted counselor H. Norman Wright and his daughter, Sheryl, reveal why the mother-daughter relationship doesn't have to control your life or your future. With godly wisdom and practical insights, this book shows readers how to start building a new relationship with their mothers--today. This book explores how different people have dealt with the issues related to getting on with their mothers. Psychotherapist Alyce-Faye Cleese interviewed a wide range of people to get an in-depth understanding of the different questions that arise in our relationships with our mother. From a New York taxi driver to her former husband John Cleese, and a computer consultant to General Colin Powell, the interviews show a remarkable similarity between the problems different people have with their mothers both alive and dead, and Alyce-Faye Cleese suggests a range of ways of dealing with problems that many of us share in one way or another. No matter what your age, divorce is one of life's greatest challenges. But while your parents, friends, and lawyers may be chock-full of advice, the truth is that young women who divorce today face a brand-new set of issues and possibilities far removed from those of

women a generation before. If you're looking for a fresh, empowering, and thoroughly modern guide to starting this new chapter of your life, *Not Your Mother's Divorce* offers the ultimate roadmap—from wading through legal jargon to getting back into society—as told by your best girlfriends who've been there. Based on the experiences of more than thirty women who divorced in their twenties and thirties without children, *Not Your Mother's Divorce* offers camaraderie and practical counsel on: Breaking the news to family and friends Coping with sudden singledom—from living arrangements to changing your name Protecting yourself financially and dividing your assets Legalese 101—making the legal process work for you Reentering the dating scene How to handle encounters with your ex Warm and insightful, *Not Your Mother's Divorce* gives you the tools to find your way through this difficult time—and emerge a stronger, wiser, happier you. A Revealing and Intimate Story of What a Mother Will—and Will Not—Do for Her Daughters What kind of women do daughters become when their fathers are missing and their mothers can't love them? How do they find love and ways to love themselves? Nearly three decades of secrets lie between Lola Ashby and the two girls she reluctantly raised. Now, prompted by the one father figure she respects, older daughter Frankie agrees to drive from Portland to visit her ailing mother, who abandoned the girls when they were in high school. When younger daughter Callie announces to Frankie that she's moving her fashion model career to Los Angeles from the East Coast, Frankie badgers her sister into meeting up in the Idaho panhandle for a family reunion to dilute the impact of their mother's indifference. However, on Frankie's first night on the road, the trip gets more complicated when a well-dressed elderly woman at a rest stop dumps a young boy in her lap with a request to take him on to Montana. And Callie's exit from Pittsburgh is fraught with its own shady and violent difficulties. Meanwhile, Lola strengthens her resolve to keep the past and its secrets where they belong. Skyhorse Publishing, as well as our Arcade, Yucca, and Good Books imprints, are proud to publish a broad range of books for readers interested in fiction—novels, novellas, political and medical thrillers, comedy, satire, historical fiction, romance,

erotic and love stories, mystery, classic literature, folklore and mythology, literary classics including Shakespeare, Dumas, Wilde, Cather, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home. Customer experience pioneer Jeanne Bliss shows why “Make Mom Proud” companies outperform their competition. Her 5-step guide to customer experience and culture transformation makes this achievement possible. Bliss urges companies to make business personal to earn ardent fans and admirers, by focusing on one deceptively simple question: “Would you do that to your mother?” “Make Mom Proud” companies give customers the treatment they desire, and employees the ability to deliver it. They turn “gotcha” moments into “we've got your back” moments by rethinking business practices, and they enable employees to be part of the solution to fix customer frustrations. Bliss scoured the marketplace seeking companies who excel at living their core values, grounded in what we all learned as kids. She offers a five-step plan for evaluating your current behaviors and implementing actions at every level of the organization. Step 1. “Be the Person I Raised You to Be” Understand how you are hiring, developing and trusting employees to bring the best version of themselves to work. Vail resorts, for example, the world's largest ski resort operator, banned the three words “Our policy is...” from their vocabulary, freeing employees to take spirited actions to deliver “the experience of a lifetime.” Step 2. “Don't Make Me Feed You Soap” Learn the eight key frustrations that bind us as customers (waiting, fear, anxiety, the black hole of no communication, etc.) and how to apply actions from companies who are delivering a seamless, frictionless and easy experience. Step 3. “Put Others Before Yourself” Determine if your focus is on helping customers achieve their goals - and evaluate how that is fueling your growth. Canada's Mayfair Diagnostics, for example, spent over a year studying the emotions of patients entering an imaging clinic, so they could redesign their welcome to deliver warmth and caring over procedure and process. The newly designed clinic achieved profitability

in record time. Step 4. "Take the High Road" Learn how companies who do the right thing rise above the competition. Virgin Hotels, for example, named #1 U.S. hotel by Conde Nast Reader's Choice Awards, walked away from price gouging at the mini bar, so you'll never pay more for that Snickers bar than what you'd pay at the corner market. Step 5. "Stop the Shenanigans!" Evaluate your current company behaviors and identify the key actions that you can begin immediately. With 32 case studies and examples from more than 85 companies, this is a practical and easy to follow guide for your experience and culture transformation. Filled with comics to snapshot our experiences as customers, a "mom lens" to reflect continuously on your performance, and a "make-mom-proud-ometer" quiz - the book makes Bliss's approach accessible and approachable. Join the movement to #MakeMomProud by applying this book across your organization. Whether you're contemplating your company's returns policy, its social media presence, or its big-picture strategy, this approach will help your company anticipate both employee and customer needs, extend patience, and show respect at all times. Every loss mama deserves to be reminded she is the mother of all mothers. Elaine Mallon is not an expert on grief. She's someone who lost her mother suddenly and unexpectedly. She knows the magnitude of this heartbreak firsthand. Devastated and unprepared for how life-changing and painful processing the loss would be, she found herself wondering: "Where's the manual?" and "How do I do this?" Like a compassionate friend, Mallon captures the raw, universal pain of losing your mother with empathy, honesty and eloquence. She tenderly walks the reader through each step of the grieving process, offering straightforward answers to many common questions and addressing fears faced by those grieving, as well. This is a must-read, essential guidebook for anyone uncertain about what to do or where to turn after their mother's loss. For those hoping to help a loved one through grief, this book also offers direction on how to comfort someone who is grieving by explaining what they are going through and how to be most helpful to them. If you've lost your mother, please know this: If you're grieving, you're healing - and you are not alone.
