The perfect book for young readers looking to explore some of life's biggest questions. Thousands of years ago, ancient philosophers asked some important questions: "What is real?", "What is the point of my existence?", "Why is there evil in the world?", and "What can I know?" These questions have gone on to spark passionate debates about our existence and how we understand the world around us. In this engaging and accessible introduction to philosophy, readers aged 11+ will be introduced to a variety of philosophical ideas through the teachings of Plato, Confucius, Simone de Beauvoir, and many more. Vibrant, reader-friendly illustrations bring the history of ideas and thinking to

life, and provide topics for reflection and debate. With biographies of the most influential philosophers from around the world, young readers will explore the questions that have been fundamental to the development of scientific study, logical thinking, religious beliefs, freedom in society, and much more. Thought experiments peppered throughout will help to connect readers with the theories presented so they can apply them to their own lives. This comprehensive visual encyclopedia explores World War II in fascinating detail and explains why this global event must never be forgotten. World War II: Visual Encyclopedia shows children the causes, battles, people, and aftermath, while cutting-edge CGI technology brings infamous events back to life. Learn about weaponry, tanks, ships, aircraft, campaigns, and military strategies. Read firsthand accounts of major campaigns and battles throughout the war. Uncover hundreds of biographies of wartime leaders and brave soldiers who served on the battlefields. Find out how technological advances influenced the final outcome. Key information is available at a glance, alongside data boxes, facts and stats, and inspiring quotations. From the fastest fighter plane to the longest battle, you'll discover everything you ever wanted to know, and much, much more. Whether you're a history buff or simply want help on a school project, this standout reference covers every aspect of World War II and the important part it has played in world history.

Reach for the stars in the updated First Space Encyclopedia! Explore the planets and discover amazing facts about nearby galaxies. A delightful first reference book about space for young astronomers, First Space Encyclopedia takes readers on a journey through the universe, from the beginning of space itself to current space technology. Find out what it takes to be an astronaut, what it is like to live in space, and what they take with them in their suitcases! Children can test their knowledge with quizzes, try out at-home space activities, learn how to find constellations in the night sky, and see the phases of the moon. Packed full of engaging photography and easy-to-follow text, First Space Encyclopedia brings space down to Earth for curious young readers.

This educational book takes you on a journey through: - Very Important Things About People - Very Important Things About Me - Very important Things About My Planet - Very Important Things About Places - Very Important Things About Animals My Encyclopedia Of Very Important Things is part of the educational series My Very Encyclopedias. Complete the collection and learn more about the world around you, the animals that walk, fly and swim and the dinosaurs who ruled the earth before them. Shortlisted The School Library Association Information Book Award 2017 Best Children's Book in the Junior Design Awards 2017 From "All the Way with LBJ" to red MAGA hats, famous and infamous slogans, logos, signage, and accessories from over a century of presidential elections are compiled in a striking visual encyclopedia. Presidential campaigns emerge in state fairs, stump speeches, and selfie lines; but when the crowds disperse and after ballots are cast, movements live on in posters, logos, slogans, and accessories. From Hillary pins to Warren Harding's "Return to Normalcy" banners, from buttons emblazoned with Dwight Eisenhower's trademark "I Like Ike" to Shepard Fairey's iconic "HOPE" poster for Barack Obama, and highly thought-out promotions for Biden and the rest of the 2020 presidential candidates, campaign materials serve as portals into the complex nature of American politics, values, and emotion. This collection of visual messaging, brimming with five hundred punchy color images from United States presidential campaigns from the turn of the twentieth century to today, contains the bold graphics, quippy one-liners, and cutting-edge designs that shaped the way America viewed its would-be leaders and revealed the way its would-be leaders viewed America in return. Presidential candidates

might range from policy wonks to moral champions to experienced leaders, but they all rely on expert branding to convey their unique platforms to the public. In the fast-moving age of Twitter and Facebook, this tangible display of effective—and regrettable—American artifacts is destined to delight political junkies and design aficionados of all stripes. All About Everything is the ultimate, unputdownable almanac for children. Containing an exciting collection of facts for kids, this vibrant and visual reference book shows you everything you need to know! All About Everything contains a diverse mix of topics, presented in dazzling, colorful, child-friendly style with lively, informative text. From dinosaurs and animals to history and space, this highly illustrated collection of information brings together material from DK's popular One Million Things series and is packed with fun and interesting facts on every topic imaginable. Presents a timeline of the lives and accomplishments of the presidents of the United States, placing them in the context of major events in the country's history, and providing facts about each one. Compiled and written by Allen Weinstein, founder of the Center for Democracy, this ultimate presidential source book carries the Smithsonian's seal of approval. Discover the history and personal stories of 46 US Presidents in this beautifully illustrated volume. From the first president, George Washington, to the forty-sixth, Joe Biden, the United States has seen a host of extraordinary men take office. Their stories are all included in this fourth edition of *The Complete Book of US Presidents* by journalist and historian Bill Yenne. This book features short, biographical essays about the lives of 46 presidents, jam-packed with unusual details and commentary on the significant roles each commander-in-chief played in the shaping of the United States and its relations with the world. Lavishly illustrated, including the presidents' official White House portraits, sidebars about each and every vice president and first lady, and intriguing anecdotes, this book is accessible to a broad audience and will captivate any history lover. *The Complete Book of US Presidents* is an expansive collection that reflects on America's rich presidential history, telling the story of a nation through the biographies of some of its greatest political leaders. American history comes alive in these 100 true stories that define our country. This magnificent treasury tells the story of America through 100 true tales. Some are tales of triumph—the

midnight ride of Paul Revere, the Wright brothers taking to the air, Neil Armstrong's first steps on the moon. Some are tales of tragedy—the fate of the Donner Party, the great fire in Chicago, the eruption of Mount Saint Helens. There are stories of inventors and athletes and abolitionists and artists. Stories about struggling for freedom—again and again, in so many ways. With full-color illustrations on nearly every page and short, exciting stories, this book is perfect for browsing by the entire family. Notes at the end of each story direct readers to related stories. And a guide to thematic story arcs offers readers (and teachers) an easy way to follow their particular interests throughout the book. A treasure trove of a book that belongs in every home! —This lively and engaging collection of stories recounting American history is a wonderful gift not only to the children of this country but also their parents. I can't wait to share it with my grandchildren. —Tom Brokaw Discover America's rich history through the eyes of its commanders-in-chief, as well as notable first ladies, famous speeches, and major constitutional events, with this visual reference guide to the leaders of the United States. US Presidents and first ladies have changed domestic and foreign policy, supported movements such as women's suffrage and civil rights, and have led the country through significant historical moments that have shaped the nation into what it is today. Pages of visual illustrations take children, adolescents, and adults on a journey through the achievements of all of the US Presidents. Filled with over 150 pages of visual timelines, kids will learn about the contribution each head of state had and the historical context surrounding their presidential term. Learn about the 46 presidents, first ladies and historical speeches, moments that changed the course of the world- and American history. From the Declaration of Independence, Gettysburg Address, Abolition of Slavery, and both the most controversial and loved presidential offices. An Essential Visual Guide to US Presidents and their Influence on America This historical book introduces children to prominent US Presidents, notable first ladies, and prominent events. Beautifully illustrated to bring these pages of history to life, kids will learn about events that defined each presidential office from independence to the present day. This visual reflection from DK Books will compel children to investigate further, understand history, and the important role US Presidents had in shaping it: — New edition updated to include the
