*By God's Design Apr 23 2022 What happens when a man finds himself sunk in a downward spiral of risky homosexual acts and he knows no way to escape? And when he is about to lose his prestigious and profitable career, along with his marriage, and even his life? The answer would have been certain tragedy for Alan Medinger if not for a praying wife and the mercy of God. Restored and inspired, he went on to establish a ministry for same-sex-attracted people (Regeneration of Baltimore, Maryland), where he and his wife, Willa, influenced hundreds to turn from homosexuality and seek holiness. Through their work with Exodus International, they influenced thousands more. When quarrels and dissension affected Exodus in Alan's last years, he predicted its demise and explained how ministries would continue to succeed without it. Through Alan and Willa Medinger's story in *By God's Design*, you will learn the truth about homosexuality, its causes, its healing, and how the church can help.*

*Tablets from the Iri-sa?rig Archive Sep 28 2022 While each of the previously known archives from the Third Dynasty of Ur has provided distinct views of Sumerian society, those from Iri-Sa?rig present an extraordinary range of new sources, depicting a cosmopolitan Sumerian/Akkadian city unlike any other from this period. In this publication, Marcel Sigrist and Tohru Ozaki present more than two thousand newly identified tablets, mostly from Iri-Sa?rig. This unique and extensive corpus elucidates the importance that Iri-Sa?rig represented politically, militarily, and culturally in Sumer. Although these tablets were not able to be cleaned, baked, or photographed, the authors' transliterations are based on the original tablets, often after repeated collations. Moreover, access to so many well-preserved tablets made it possible to improve upon the readings and interpretations offered in previous publications. Volume 1 contains a catalog and classification of the texts by provenance, a list of month names and year formulas, another of inscriptions, a chronological listing of the texts, and extensive indexes of personal names, deities, toponyms, and selected words and phrases. Volume 2 presents the texts in transliteration with substantial commentary. This two-volume publication preserves and makes available to the scholarly community a significant segment of Iraq's cultural legacy that otherwise might have been ignored or even lost. It will augment and enhance our understanding of the unique civilization of Mesopotamia in the late third millennium BCE.*

*Alan Lacer's Woodturning Projects & Techniques Sep 24 2019 Selected from more than 15 years of articles from one of the country's top turners, Alan Lacer's Woodturning Projects & Techniques has everything you need to learn to turn and take your lathe skills to the next level.*

*This book includes an in-depth look at techniques, tools and chucks that will help perfect your core turning skills. You'll learn the right tools to use, how to handle them safely and how to maintain them. Lacer's expert instruction helps you master the bowl gouge, the spindle-roughing gouge, the skew and other essential turning tools. You'll also gain insight into finishing techniques, French polishing and working with spalted wood. Once you've sharpened your skills with the Tools & Techniques section, put your new knowledge to the test with 20 beautiful projects covering a wide range of turned forms and turning techniques. • Sharpen your end-grain hollowing skills by turning a lovely wine goblet • Practice turning spheres by creating your own bocce ball lawn game • Gain insight into making multiples by turning matching table legs • Turn a table lamp to practice flowing contours • Learn how to work with green wood by making a natural-edge bowl • And much more! Complete with expert instruction, step-by-step photos, guides to sources and materials and tips for avoiding common pitfalls, this book is sure to help you improve your turning craft and make some stunning pieces in the process.*

*The Boardgamer Volume 7 Feb 28 2020 The Boardgamer magazine was a quarterly magazine devoted primarily, but not exclusively, to the coverage of Avalon Hill / Victory Games titles and to other aspects of the boardgaming hobby. Initially, The Boardgamer's publication ran concurrently with Avalon Hill's house magazine, The General, but instead of focusing on new releases, it devoted coverage to those classic, Avalon Hill games which no longer graced the pages of The General. Following the cessation of The General in June 1998, The Boardgamer was the primary periodical dedicated to the titles from AH/VG, until its final issue in 2004. The contents of this volume consists of: Color War In Gangsters - Strategies of Tournament Champions New Optional Rules For Gangsters - Bombs, Shootouts & Cops BOARDGAMER's Special Panzerblitz Issue - Errata Blackbeard PBeM Series Replay - High Adventure on the Cyber Seas Sailing The Cyber-Seas - Blackbeard PBeM Dreams Of Empire - Freedom In The Galaxy Revisited Poland On A Budget - An Alternate Opening In 4th Edition Third Reich Saratoga Campaign - A Revised 1776 Scenario A New "Young Kid" Is On The Horizon - Conquest 2001 Victory In The Pacific Report War And Peace - Question Box Yom Kipper - A Scenario For Flashpoint: Golan Solving The Polish Problem - Alternative Opening Attacks For Third Reich 4th Ed Common Errors In The Play Of Gunslinger - A Schizophrenic Look The Showdowns Of Gunslinger - Analysis Of Showdown #5: The Ambush What Are Those Indians Doing In My Backyard? - An Analysis Of Gunslinger Showdown #6: The Raid The Australian Strategy - Another Path To IJN Dominance In Victory In The Pacific Atlantic Fleet - Variant For Victory In The Pacific Great Thoroughbreds Of The Past - More Races For Win Place & Show Rules Clarifications For Dune Tokyo Express Clarifications - Question Box A Gunnery Facing Device - For Jutland Insert: Countersheet for Flashpoint: Golan Variant Scenario New Scenarios For Israeli Defense Force - Also Errata For IDF Italy On A Budget - Early Italian Play In 4th Edition Third Reich Third Reich Workshop - A Little Quiz I Joins dah Mob. *The Prudence of Mr. Gordon Brown Dec 28 2019* A compelling book that examines Gordon Brown's rise to power, his years as Chancellor, and his dramatic decision to give the Bank of England independence "An essential read for anyone who wants to properly understand political and economic policy developments over the past 15 years and enjoy some good insights about the future." Neil Kinnock, Vice President of the European Commission and former leader of the Labour Party. "For twenty years one of the most sceptical and authoritative voices on economic affairs in the British press." Robert Harris, best selling author. "A splendidly vivid account of the background, outlook and record of the most powerful Chancellor of modern times." Anthony Howard, biographer and political commentator. The economic policy of new Labour has been fundamental to its success. Gordon Brown has been at the very heart of new Labour's economic policy since the late 1980s and has been highly instrumental in convincing both the British public and the City that a Labour government can run the economy responsibly. He has generally been a popular and well-respected Chancellor - during his early years in office, he was highly praised for his prudence and yet now, well into the second term of office many of the issues on which the Blair government was elected, such as health and education, have not yet been satisfactorily addressed, and Gordon Brown is now being criticised for what many see as his imprudence in handling the nation's finances. Examining how successful Labour's economic policy has really been, when allowing for the good fortune of a world-wide economic boom, Keegan provides insights into the policies of new Labour, Gordon Brown's rise to power, the impact of his policies and how future policies might influence the economy. Written by a well-known and highly respected journalist who has been close to the heart of politics in Britain for many years, and who is thus able to offer an insider's view of how policy developed in both opposition and the Government Examines the professional relationships and private friction between Brown, other members of the Cabinet and the Bank of England Includes much previously unpublished material William Keegan is Associate Editor (since 1983) and Economics Editor (since 1977) of The Observer newspaper. A graduate of Trinity College, Cambridge, he has previously held posts with the Financial Times, Daily Mail and Bank of England Economic Intelligence Department. He has sat on a range of advisory committees, including the BBC Advisory Committee on Business and Industrial Affairs, the Employment Institute Council and the Department of Economics Advisory Board, University of Cambridge. He is visiting Professor of Journalism at Sheffield University and is the author of a variety of successful books.

*Can's Tago Mago* May 25 2022 Finally, a brilliant exploration of the German rock band Can's 1971 album *Tago Mago*. This hugely unique and influential album deserves close analysis from a fan, rather than a musicologist. Novelist Alan Warner details the concrete music we hear on the album, how it was composed, executed and recorded--including the history of the album in terms of its release, promotion and art work. This tale of *Tago Mago* is also the tale of a young man obsessed with record collecting in the dark and mysterious period of pop music before Google. Warner includes a backtracking of the history of the band up to that point and also some description of Can's unique recording approach taking into account their home studio set up. Interviews with the two surviving members: drummer Jaki Liebezeit, keyboardist Irmin Schmidt and bassist Holger Czukay make this a hilariously personal and illuminating picture of Can.
