A Treasury of Beaded Jewelry Jul 17 2021 Dazzled by the beautiful beadwork of native peoples near and far? This new book by Mel makes learning to create beautiful necklaces, chokers, bracelets, belts, pouches and headbands a snap. The rich mix of culturally diverse seed bead patterns found in this book will satisfy the young beginner, the advanced worker and the holiday gift maker. The double bonus? The projects result in elegant, beautiful and

surprisingly fashionable pieces of jewelry anybody would be proud to wear on any occasion. From Zulus to Guaymis, from Guatemala to Egypt, here are large, graphic illustrations of the threading patterns for a wide range of beautiful seed bead jewelry, from simple Y necklaces to elaborate Romanian collars; several original designs are provided as well. This book is a must for crafters working with seed beads as it provides many useful design concepts in its patterns for necklaces, chokers, bracelets, earrings, belts, pouches and headbands. The Methods and Materials section is comprehensive and full of useful hints for working with seed beads in general, from how to set up a workspace and lay out a design, to what to do when a flaw is found in a finished piece. Clear concise instructions alongside the diagrams ensure a good understanding of each project. The book starts out with two simple necklaces, then zooms into space with starry holiday patterns for 10 minute earrings, a necklace and bracelet. Then it's on to snowflake patterns that show how to incorporate medallions into earrings, bracelets and necklaces. Next are simple chain link patterns that turn into beautiful flower chokers. Native American patterns for

flower and leaf necklaces, as well as friendship bracelets and a flowing tippie necklace, follow. After a braided headband, simple daisy chain patterns are presented, along with directions on turning them into wide flowery band bracelets and a daisy purse. Elaborate patterns for a very regal necklace and colorful Romanian collars follow. The last patterns of the book show how to make a wide colorful Guaymi collar, a Zulu belt, a Princess necklace that will enchant little and big girls alike, netted triangle necklaces, and a Moorish necklace of netted diamonds. Six pages of color photographs add to the beauty of this 42 page book. A cultural cornucopia of jewelry to be truly enjoyed. A great new release no-one will want to miss!

Rebellious Beads

Oct 08 2020 You may not have ever heard of Lewis Tackett. He didn't keep ledgers for us to read as did his friend, Daniel Boone. He didn't aspire to high political office as many others did. The highest political rank he attained was Justice of the Peace and his highest military rank was captain. However, he lived during a time when our nation was being formed. When men and women of great strength, courage, and determination were needed to forge a new way of life. Lewis had all of these traits in abundance, and the energy and spirit of adventure to use them. He was an extraordinary man. Almost all of the events in this book actually happened and are well documented. Lewis Tackett is buried near Lewisville, in Henry County, Indiana. His original memorial marker gave his age as, "99 years, 4 months and 21 days", and included the inscription, "A REVOLUTIONARY SOLDIER".
