Assistant, you are a leader. As an assistant, you constantly face obstacles that hold you back from accomplishing your career goals. Whether it's a job change, shifting deadlines, a micromanaging executive, a toxic co-worker, a high-pressure project, or an intense negotiation with a vendor, the administrative profession is not for the faint of heart. If you're looking to maintain the status quo and be "just an assistant," this book is not for you. But, if you want the confidence and ability to conquer the challenges that most try to avoid, then you're in the right place. The Leader Assistant outlines four pillars—embody the characteristics, employ the tactics, engage in relationships, and exercise self-care—that will help you rediscover your passion for the

profession and become a confident, future-proof, game-changing Leader Assistant. If you neglect even one pillar, you'll head for burnout, stagnation, and anonymity. You are meant for so much more. Are you ready to be the Leader Assistant the world needs? What if you missed a miracle yesterday? Do you believe that if God still works miracles, He only works them through a select group of people-not you? Then it's time to discover the truth. You were created to help others experience personal miracles on a regular basis. You were born to accomplish God's work by His power. In *You Were Born for This*, Bruce Wilkinson explores life-changing questions such as: Why do so few people experience miracles? What does it mean to be sent on a miracle mission? And, how can anyone partner with God to deliver miracles to others? You will learn how to make a lifestyle of predictable miracles your new normal. Because when people ask God to accomplish the miraculous through them, things change. Relationships. Finances. Families. Spiritual lives. Soon the extraordinary becomes the everyday, and God showing up in supernatural ways is no longer something to wish for-it is the life God intended you to live. Discover why you were born for this! Learn how to become an Enrolled Agent with PassKey's comprehensive EA Review study program. This study guide is designed for test-takers who will take their exams in the EA Exam testing window that runs from May 1, 2020, to Feb. 28, 2021. Presenting the essentials of Swahili grammar in a highly accessible fashion, it reduces complex language topics to helpful rules and mnemonic aids, enabling maximum grammar retention and accurate usage. Grammar points are followed by multiple examples and exercises, allowing students to consolidate and practice their learning. No prior knowledge of linguistic terminology is required. Key features include: Twenty five language notes covering key topics such as: personal pronouns; the Swahili noun class system; special class combinations; the imperative, the subjunctive, and the conditional moods; the use of comparatives; the use of monosyllabic verbs; the passive form and various other forms of verb extensions; the relative clause. Clear, detailed and jargon-free grammatical explanations supported by an assortment of helpful diagrams, charts and tables and many relevant and up-to-date examples. A wide range of communication-oriented exercises to reinforce learning and develop students' ability to use Swahili actively. Audio files to support pronunciation practice, clearly linked to relevant sections of the book and available for free download at <http://www.routledge.com/books/details/9781138808263/> Four appendices, Swahili-English and English-Swahili vocabulary lists, a bibliography and an index presented at the back of the book for easy access to information. Written by a highly experienced instructor, *Swahili Grammar and Workbook* will be an essential resource for all students and teachers of Swahili. It is suitable for use both as a companion reference text in language courses and as a standalone text in independent grammar classes.

"Reaching the Pinnacle: A Methodology of Business Understanding, Technology Planning, and Change (Implementing and Managing Enterprise Architecture)" by Samuel B. Holcman explains the detailed process of building an enterprise architecture. Samuel B. Holcman brings his strategic business plans to business and technology professionals with "Reaching the Pinnacle: A Methodology of Business Understanding, Technology Planning, and Change (Implementing and Managing Enterprise Architecture)." In order to bring a method to the madness that can often be today's business structure, Holcman

uses "Reaching the Pinnacle" to introduce the process of building an enterprise architecture. Holcman uses his 40 years of experience as a leading trainer and consultant in enterprise architecture in writing "Reaching the Pinnacle." He explains enterprise architecture as the rethinking of how business planning and information technology work together in order to achieve strategic goals. "Reaching the Pinnacle" explains how an organization and its important departments can achieve their goals through a series of project initiatives. Holcman offers a simple, easy-to-understand way to implement an enterprise architecture project into one's organization. "While the approach is not quick - it may take up to a few years to transform an organization - my methodology provides an effective means for moving the organization from its as-is state to its desired state in an iterative manner," says Holcman. Holcman's methods and approach have been used by numerous Fortune 500 companies and have led him to be the top consultant on the topic. He believes the 'for practitioners, by practitioners' approach of "Reaching the Pinnacle" will make the book a crucial resource among business and technology personnel everywhere. The PassKey EA Review workbooks have been rigorously vetted for accuracy by experts in the tax profession. Test yourself, time yourself, and learn! PassKey EA Review: Workbook features six complete Enrolled Agent practice exams, with detailed answers, to accompany the PassKey study guides. The 600 targeted test questions have been created specifically for the EA exam cycle that runs from May 1, 2014 to February 28, 2015. This workbook includes two full practice exams for each of the three parts of the EA exam: Individuals, Businesses, and Representation. The test questions are different than the ones in the PassKey study guides, so you can experience a more true-to-life test-taking experience. All of the answers are clearly explained in the answer section in the back of the book. If you miss a question, you will understand why, and can then learn the concepts you need to know to pass the EA exam. This workbook has been extensively updated and rigorously vetted by experts in the tax profession. Test yourself, time yourself, and learn! Trigger point therapy is one of the fastest-growing and most effective pain therapies in the world. Medical doctors, chiropractors, physical therapists, and massage therapists are all beginning to use this technique to relieve patients' formerly undiagnosable muscle and joint pain, both conditions that studies have shown to be the cause of nearly 25 percent of all doctor visits. This book addresses the problem of myofascial trigger points—tiny contraction knots that develop in a muscle when it is injured or overworked. Restricted circulation and lack of oxygen in these points cause referred pain. Massage of the trigger is the safest, most natural, and most effective form of pain therapy.**

Trigger points create pain throughout the body in predictable patterns characteristic to each muscle, producing discomfort ranging from mild to severe. Trigger point massage increases circulation and oxygenation in the area and often produces instant relief. The Trigger Point Therapy Workbook, Third Edition, has made a huge impact among health professionals and the public alike, becoming an overnight classic in the field of pain relief. This edition includes a new chapter by the now deceased author, Clair Davies' daughter, Amber Davies, who is passionate about continuing her father's legacy. The new edition also includes postural assessments and muscle tests, an illustrated index of symptoms, and clinical technique drawings and descriptions to assist both practitioners and regular readers in assessing and treating trigger points. If you have ever suffered from, or have treated someone who suffers from myofascial trigger point pain, this is a must-have book.
