***The Bible Year Devotional Jan 26 2020 The Bible. 365 days. You. Yes, you! Not the type to sit down and read the entire Bible? Yes, the goal is to read the whole Bible in a year, but think about it in terms of smaller, daily goals. Think about a commitment to read a short selection from the Bible plus a concise devotional every day. You can do that – especially since The Bible Year has it all mapped out for you day by day. Plus, you’ll also get summaries of key themes and ideas to help you better digest and understand your readings. So you’re not just reading verse after verse, you’re enriching your spiritual life, developing a deeper faith and forming a closer connection to God and to each other. The Bible Year is also a wonderful way for small groups or even individuals to grow closer to God, while providing a common thread that will promote new and deeper friendships among members. Additional resources sold separately include a Leader Guide with discussion questions for small groups and a Pastor’s Guide for a church-wide emphasis. Daily Bible goals start here! Praise for The Bible Year When it comes to read-through-the-Bible-in-a-year programs, The Bible Year is a game changer. Packed with devotionals, discussion guides, and resources for pastors, this beautifully written book makes journeying through Scripture less daunting and more rewarding. It’s the perfect companion for those who wish to read through the Bible for the first time or those seek to go deeper in their study of Scripture together with others. – Ryan P. **Assistant Professor of Old Testament, Candler Theological Seminary With a pastor's devotion to God and the people he serves, deVega has structured a truly helpful guide for reading the Bible in the span of a year. The thoughtful format is well designed to encourage steady progress in reading, and provoke thoughtful reflection. Brief section summaries allow the reader to stay on top of the larger story line, and thoughtful questions and blank spaces support a meditative encounter. This book is a welcome gift for anyone who wants to grow in faithfulness and devotion. – Melody D. Knowles, Vice President of Academic Affairs and Associate Professor of Old Testament, Virginia Theological Seminary**

**Calendar Nov 05 2020 A probing but clearly written book, Calendar will find an appreciative audience beyond academia and clergy to the laity of the church: choirs and their directors, worship planners, adult study groups, and others who want to understand better the church's times of preparation and celebration. Calendar centers largely on theological meaning and parish practice in relation to liturgical time. Deliberately, almost no attention is given to detailed historical development, much of which is exceedingly complex in its origins and technical in its detail. An appendix entitled "Forgetting What You Were Always Taught (Or, This Book in a Nutshell)" aptly describes the radical reordering that Stookey believes occurs when our understanding of time and the story of Jesus takes its bearings from the Incarnation. So, just as the Christian week begins with Sunday, the day of Resurrection, Stookey follows the Christian year beginning with the season of Easter, and**

**Lesser Feasts and Fasts 2006 Apr 10 2021** The first edition of Lesser Feasts and Fasts was authorized more than 40 years ago to meet a liturgical and pastoral need for the commemoration of various saints and occasions not included as major Holy Days on the calendar of the Book of Common Prayer. Subsequent editions have been updated regularly to include biographical and liturgical material for new commemorations authorized for permanent or trial observance by the General Convention of the Episcopal Church. This newest edition will contain material approved for trial use by the 2006 General Convention. Among the names presented are Oscar Romero, Roman Catholic Bishop of El Salvador and martyr; James Theodore Holly, first African-American bishop in the Episcopal Church; and Vida Scudder, educator and reformer.

**The Heart That Grew Three Sizes Nov 25 2019** Rediscover the gift of Advent that comes without packages, ribbons, and bows. We don't know why the Grinch hated Christmas. We just know he did. In this new Advent study, Matt Rawle explores the faith themes in the Christmas classic, *How the Grinch Stole Christmas!* including, how did the Grinch's heart grow three sizes come Christmas morning? How did Christmas save the Grinch? Could it be that the very thing we think we hate is the one thing that changes our lives? This Advent and Christmas season, look at a familiar classic through the lens of faith and see how Christ speaks to us

***Worshiping in Season* Feb 18 2022 *Worshiping in Season* guides ministers through a meaningful framework for ecologically oriented worship. Following the liturgical calendar and maintaining a Christocentric emphasis, Joseph E. Bush Jr. aligns earthly seasons with the liturgy and suggests readings, songs, and other acts of worship to amplify an ecologically informed Christology. The seasons of Lent, Easter, and Pentecost and Advent, Christmas, and Epiphany recall and reenact dramas about Jesus Christ that entail good news for the natural world and for the flourishing of earthly creatures. Bush examines the Christological and ecological importance of selections from the Roman Catholic Lectionary for the Mass and the Revised Common Lectionary that is used in ecumenical Protestant denominations. Creation and Christ weave together in concert, and Christian worship is seen as an opportunity to participate in both creation's longing and in Christ's saving work. Each chapter includes resources and suggestions for worship as well as biblical commentary and theological interpretation helpful to preaching. This book is a valuable companion in preparing for worship during the important seasons of the Christian year, giving voice to our faith in Christ and our hope for the Earth.**

**presentation of the scriptures for proclamation and teaching? The scriptures are androcentric, male-focused, as is the lectionary that is dependent upon them. As a result, many congregants know only the biblical men's stories told in the Sunday lectionary read in their churches. A more expansive, more inclusive lectionary will remedy that by introducing readers and hearers of scripture to “women's stories” in the scriptures. A Women’s Lectionary for the Whole Church, when completed, will be a three-year lectionary accompanied by a stand-alone single year lectionary, Year W, that covers all four gospels. ***Holy Women, Holy Men Aug 27 2022* Fully revised and expanded, this new work is the first major revision of the liturgical calendar of the Episcopal Church in more than 40 years! It is the official revision of *Lesser Feasts and Fasts* and authorized by the 2009 General Convention. All commemorations in *Lesser Feasts and Fasts* have been retained, and many new ones added. **Virgin Mary, many more ecumenical commemorations, plus a proper for space exploration. For years the oft revised volume, Lesser Feasts and Fasts (LFF), has served parishes and individuals mark part of the holiness of each day by providing Scripture readings, a collect, a Eucharistic preface, and a narrative about those remembered on the church's calendar that day whose lives have witnessed to the grace of God. Holy Women, Holy Men (HWHM) is a major effort to revise, but also to expand and enrich LFF. Where LFF provided two readings (gospel and other New Testament) plus a psalm, HWHM adds an Old Testament citation. Where LFF was limited to few non-Anglicans in the post-reformation period (and few non-Episcopalians after 1789), HWHM dramatically broadens appreciation for other Christians and their traditions. Over-emphasis on clergy is redressed by additional laity, males by females, and "in-church" activities by contributions well beyond the workings of institutional agendas. These almost daily commemorations occupy over 600 of the book's 785 pages, by far the lion's share of its content. Remaining sections address: principles of revision and guides for future revision; liturgical propers for seasons (Advent/Christmas, Lent, and Easter); and new propers for a miscellany of propers usable with individuals (or events) not officially listed in the formal calendar. Two cycles of propers for daily Eucharist are also included, one covering a six week period, the other a two year cycle.**

**Left Behind and Loving It Jul 02 2020** *Left Behind and Loving It* is a cheeky critique of popular writings about the end times. Rather than presenting a steroid-buffed Jesus wrapped in an American flag and "coming again in clouds of gunfire," *Left Behind and Loving It* invites readers to approach some of the most controversial and scary portions of the Scriptures with the utter confidence that "God's steadfast love endures forever." Rather than asserting a hope premised on a few chosen ones escaping the world, *Left Behind and Loving It* argues that if it is Jesus who is to return (and not his evil twin), then the second coming has redemption written all over it. Many today cannot accept the escapist, violent, end-of-the-world scenario envisioned by "Left Behind" theology. *Left Behind and Loving It* invites readers not to fear but to trust in God's steadfast love and look at the finitude of the world with hope in an infinitely loving God.

**Lectionary Worship Workbook Jul 14 2021** Worship ought to be the exclamation point of Christian experience. Given the regularity with which it is shared, however, and the sameness that its practice inevitably takes, fresh approaches are a constant need. This planning resource addresses the need for new ideas in a familiar setting. Wayne Keller has provided a parade of creative alternatives to liturgy, music, preaching and prayer. Based on the liturgical worship days on the Cycle C lectionary calendar, these resources can enrich worship in congregations whether liturgical or free. A pastor and worship planning team can use the material every week or choose to use it sparingly. A helpful worship planner page follows each Sunday's resources. A hands-on appendix by Warren S. Satterlee II offers practical help for the creation of worship banners for the congregation. Wayne H. Keller is pastor of Trinity United Presbyterian Church, Sedro Wolley, Washington. He has throughout his parish ministry self-consciously endeavored to make the worship experience a lively and meaningful event. He indicates that his teenage son never reported to have been bored at worship when his father was presiding. Wayne Keller is also a regular contributing columnist for "Rite Ideas," a monthly worship resource letter published by CSS Publishing Company. Warren S. Satterlee II is an active lay member of Grace United Methodist Church, Arlington, Texas.
