He desires to walk with you, and He desires for you to walk with Him in an ever-increasing and deeper way. But how does one walk with the invisible Creator? How is one a friend to Him that is unseen? It is through His love for you that He has made a way. He has made a way for you to be near to Him. In Him there is healing and hope. There is courage and victory. There is peace and joy. In Him there is love and life, and there is everything you need to truly live. So what are you waiting for? As deep calls to deep, in the depths of your soul, He is calling you to Himself. Listen. He is calling, Come. Walk with Me. Most scholars link the origin of politics to the formation of human societies, but in this innovative work, Tilo Schabert takes it even further back: to our very births. Drawing on mythical, philosophical, religious, and political thought from around the globe—including America, Europe, the Middle East, and China—The Second Birth proposes a transhistorical and transcultural theory of politics rooted in political cosmology. With impressive erudition, Schabert explores the physical fundamentals of political life, unveiling a profound new insight: our bodies actually teach us politics. Schabert traces different figurations of power inherent to our singular existence, things such as numbers, time, thought, and desire, showing how they render our lives political ones—and, thus, how politics exists in us individually, long before it plays a role in the establishment of societies and institutions. Through these figurations of power, Schabert argues, we learn how to institute our own government within the political forces that already surround us—to create our own world within the one into which we have been born. In a stunning vision of human agency, this book ultimately sketches a political cosmos in which we are all builders, in which we can be at once political and free. A New York Times bestseller! Do you want to live a life of unstoppable strength, unmovable faith, and unbelievable power in the face of every challenge? Learn how to become an Overcomer—starting right now. We live in a time of deep uncertainty, and yet the Bible promises that we were created to enjoy lives of freedom, even in times when the world around us seems filled with darkness. You were not made to live in disappointment, disillusionment, and defeat, and God has given you the tools to live a life defined not by your trials, but by your victories. In *Overcomer*, beloved Bible teacher Dr. David Jeremiah offers his insights on one of the most quoted but least understood passages of the Bible: the apostle Paul's admonition to the Ephesians to take up the whole armor of God (Ephesians 6:10-18). With his signature depth, wisdom, and compassion, Dr. Jeremiah explores the powerful relevance of spiritual armor as a critical tool each day as we confront the specific challenges in our lives and of our time. *Overcomer* contains: Examples of how the people of God have overcome their enemies in the past Inspiring stories of victorious Christian living today Specific strategies you can practice armoring yourself in God's strength In Christ, believers have everything necessary to live a victorious, overcoming life. If you've had enough of living in defeat, it's time to find renewed strength and claim the promises of God's Word to overcome life's greatest threats. *Women Who Live Evil Lives* documents the lives and practices of mixed-race, Black, Spanish, and Maya women sorcerers, spell-casters, magical healers, and midwives in the social relations of power in Santiago de Guatemala, the capital of colonial Central America. Men and women from all sectors of society consulted them to intervene in sexual and familial relations and disputes between neighbors and rival shop owners; to counter abusive colonial officials, employers, or husbands; and in cases of inexplicable illness. Applying historical, anthropological, and gender studies analysis, Martha Few argues that women's local practices of magic, curing, and religion revealed opportunities for women's cultural authority and power in colonial Guatemala. Few draws on archival research conducted in Guatemala, Mexico, and Spain to shed new light on women's critical public roles in Santiago, the cultural and social connections between the capital city and the countryside, and the gender dynamics of power in the ethnic and cultural contestation of Spanish colonial rule in daily life. A unique look at Christian biblical interpretation and theology from the perspective of Native American tradition. This book focuses on four specific experiences of Jesus as portrayed in the synoptic gospels. It examines each story as a "vision quest," a universal spiritual phenomenon, but one of particular importance within North American indigenous communities. Jesus' experience in the wilderness is the first quest. It speaks to a foundational Native American value: the need to enter into the "we" rather than the "I." The Transfiguration is the second quest, describing the Native theology of transcendent spirituality that impacts reality and shapes mission. Gethsemane is the third quest. It embodies the Native tradition of the holy men or women, who find their freedom through discipline and concerns for justice, compassion, and human dignity. Golgotha is the final quest. It represents the Native sacrament of sacrifice (e.g., the Sun Dance). The chapter on Golgotha is a discussion of kinship, balance, and harmony: all primary to Native tradition and integral to Christian thought. Provides subject reviews for the basic rules of grammar and math, worked-out examples to sharpen skills, and two complete sample COOP and HSPT tests.
