With only two semesters left before graduation, Rhys Solario, a non-Mormon attending Brigham Young University, just wants to keep flying under the radar. Then he meets Emmy in a Book of Mormon class, and for the first time, the idea of keeping to himself doesn't sound so appealing. Emmy Jennings only feels confident when she's dancing ballet, so when she fails to earn a coveted solo, her faith in herself disintegrates. When the two are assigned to be study partners, they face initial anxieties. But slowly, their tentative friendship evolves into something more. Yet even as love deepens, the pair is faced with a disheartening truth: Rhys can't take Emmy to the temple, and the promise of eternity is not something Emmy's willing to give up. With everything on the line, the couple must decide if they are prepared to

reshape their hearts--and their lives--for the promise of forever.-- THE SELF-PUBLISHED PHENOMENON —NOW FULLY REVISED AND EXPANDED I almost didn't publish *Love Yourself Like Your Life Depends on It*. Here I was, a CEO who'd fallen apart after his company failed, writing a book about how loving himself saved him. I thought I'd be a laughingstock and my career would be finished. But I stepped through the fears and shared my truth with the world. The book went viral. Amazing people all over bought copies for friends and family. For some, this book saved their lives. For others, it was the first time they ever loved themselves. Many readers reached out and asked questions. This taught me that, to create lasting impact, I had to go deeper. So, seven years later, here it is. All the questions I received, resolved. My intention is that by the time you finish this new edition, not only will you be committed to loving yourself, you'll know exactly how to do it. And, most importantly, how to make it last. As her son grows up from little boy to adult man, a mother secretly rocks him each night as he sleeps. The majority of our joys, struggles, thrills, and heartbreaks relate to people, beginning first with ourselves and then the people we came from, married, birthed, live by, live for, go to church with, don't like, don't understand, fear, struggle with, compare ourselves to, and judge. People are the best and worst thing about human life. Jen Hatmaker knows this all too well, and so she reveals how to practice kindness, grace, truthfulness, vision, and love to ourselves and those around us. By doing this, 'For the Love' leads our generation to reimagine Jesus' grace as a way of life, and it does it in a funny yet profound manner that Christian readers will love. Along the way, Hatmaker shows readers how to reclaim their prophetic voices and become Good News again to a hurting,

polarized world. Ginny Perdita has traded in her figure skating costumes for coaching at her home rink after a tragic accident took her sister and brother-in-law, orphaning her young niece and nephew. Thrown into instant parenthood and now unable to compete, she's had to bury her Olympic dreams. Alexei Kriz is starting over after his girlfriend refused to follow him to Colorado Springs to play hockey. Despite that, he's thrilled to have been picked up for the Palmer City Voltage and plans to throw himself into the game and volunteer work with the Flying Stars, a youth team of special athletes who also call the rink home. There, he runs into Ginny - the one who got away. It's been years since Ginny and Alexei first connected back in Sochi. Still frosty that he never called her after the games, Ginny is wary of his intentions and affection for her and the three-year-old twins. Still, she can't ignore the feelings that pull her to the Czech defenseman. When they are assigned to work together for the Flying Stars program fundraiser, Ginny's ice begins to melt as she watches him guide the young players and dote on the twins. Alexei vows to not let her get away forever this time. When she's offered a high-level coaching job in New York, can he warm her heart for a second chance at love? Inspirational Romantic Suspense Novel. Lanie Owens has just survived a horrific attack by a stalker. She flees to a resort in Maine to recover and hide from her attacker who is still on the loose. Former Army Ranger Matt Saunders is hired to protect her, but he has a past he's trying to recover from as well. In the safety of seclusion, the two grow closer, but when a cell phone video goes viral, Lanie's stalker knows just where to find her. Can they battle their personal demons in time to come together to fight the very real threat coming to destroy them? Tracey Livesay makes her Avon Impulse debut with a sparkling and sexy novel about a woman who will do anything to fulfill her dreams... but discovers that even the best laid plans can fail when love gets in the way. Successful PR executive Chelsea Grant is one assignment away from making partner at her firm and nothing will stand in her way. Her big break? Turn a reclusive computer genius into a media darling in time for his new product launch. He may have been dubbed the "sexiest geek alive" but he has no patience for the press—and

it shows. Piece of cake, right? Only problem is... his company doesn't want him to know they hired her. After a disastrous product launch two years ago, tech CEO Adam Bennett knows the success of his new device depends on the media's support. When a twist of fate brings the beautiful PR specialist to his door, Adam hires Chelsea to help turn his image around. Their attraction is undeniable and the more time they spend together, the harder it becomes to keep things professional. But when Adam discovers Chelsea's deception, will she risk everything for her career or is love the real thing on her mind? Explores the all-important languages of love, helping each partner discover which actions are interpreted by the other as loving and affirming, and which as indifferent and demeaning. With study guide. Over 20 million copies sold! A perennial New York Times bestseller for over a decade! Falling in love is easy. Staying in love—that's the challenge. How can you keep your relationship fresh and growing amid the demands, conflicts, and just plain boredom of everyday life? In the #1 New York Times international bestseller *The 5 Love Languages*, you'll discover the secret that has transformed millions of relationships worldwide. Whether your relationship is flourishing or failing, Dr. Gary Chapman's proven approach to showing and receiving love will help you experience deeper and richer levels of intimacy with your partner—starting today. *The 5 Love Languages* is as practical as it is insightful. Updated to reflect the complexities of relationships today, this new edition reveals intrinsic truths and applies relevant, actionable wisdom in ways that work. Includes the Couple's Personal Profile assessment so you can discover your love language and that of your loved one. Five music festivals . . . one unforgettable summer romance! 16-year-old songwriter Nova is having the best summer of her life. Helping out with her parents' food truck, she gets to attend not one, but FIVE different music festivals! Things get even better when she meets cute American boy, Sam, an aspiring musician like her. After sharing a magical evening dancing under the stars, Nova never expects to see Sam again. But to her surprise they keep meeting up at music festivals . . . Nova begins to hope that their romance could become more than just a festival fling. So why

is Sam so reluctant to talk about himself? And why does he have access to the VIP backstage area . . .? Celebrated as a courtesan and poet, and as a woman of great intelligence and wit, Tullia d'Aragona (1510–56) entered the debate about the morality of love that engaged the best and most famous male intellects of sixteenth-century Italy. First published in Venice in 1547, but never before published in English, *Dialogue on the Infinity of Love* casts a woman rather than a man as the main disputant on the ethics of love. Sexually liberated and financially independent, Tullia d'Aragona dared to argue that the only moral form of love between woman and man is one that recognizes both the sensual and the spiritual needs of humankind. Declaring sexual drives to be fundamentally irrepressible and blameless, she challenged the Platonic and religious orthodoxy of her time, which condemned all forms of sensual experience, denied the rationality of women, and relegated femininity to the realm of physicality and sin. Human beings, she argued, consist of body and soul, sense and intellect, and honorable love must be based on this real nature. By exposing the intrinsic misogyny of prevailing theories of love, Aragona vindicates all women, proposing a morality of love that restores them to intellectual and sexual parity with men. Through Aragona's sharp reasoning, her sense of irony and humor, and her renowned linguistic skill, a rare picture unfolds of an intelligent and thoughtful woman fighting sixteenth-century stereotypes of women and sexuality. For fans of Lauren Layne and Kristan Higgins comes a delightfully “fun bit of fluffy entertainment” (Publishers Weekly) in the first book of a charming new series, in which a young woman is forced to help her old friend revamp his image for the upcoming mayoral elections...and discovers that she might not be as immune to his charms as she once thought. When Emmanuelle Peroni’s father—and current mayor of Hope Lake, Pennsylvania—suggests she help with Cooper Endicott’s campaign, she’s horrified. Cooper, one of her (former) oldest friends, drives her crazy in every way possible. But he’s also her father’s protégé, so Emma reluctantly launches her plan to help him win the local election. It’s not as easy as it looks. Cooper’s colorful love life is the sticking point for many voters, and his opponent is digging up everything he can from his

past. It seems that every time Emma puts out the flames from one scandal, another one flares up. Emma knows that if Cooper wants to win, he needs to keep his nose clean. The only problem? She might just be falling in love with the one person she promised never to pursue: the mayoral candidate himself. From the line of succession to the Queen's corgis, this charming book is a perfect primer on the fascinating world of British royalty. Full of fun facts and surprising stories to delight longtime enthusiasts and new fans alike, *This Is a Book for People Who Love the Royals* digs into all of the aspects of everyone's favorite monarchy. Uncover the history of British royalty and answers to common questions - like how royal titles work, who is in the line of succession, and why the guards at Buckingham Palace never smile -- as well as deep dives into fashion, jewelry, and other palace perks. Profiles of popular family members, including Her Majesty Queen Elizabeth II, Princess Diana, Prince William and Kate Middleton, and more, add personality to this irresistible celebration of the crown. What do you do when you don't know what to do, but you know it's time to do something different? You feel it. Those yearnings from the depth of your soul telling you it's time to make a change. The status quo is no longer enough. You want more for your life than just going through the motions, and you deserve it. It's time for you to live fully, completely, and abundantly. The question is how? *Loving On Me* reveals the answers that allow you to access the more God has in store for you. Through a series of powerful life lessons inspired by Katrina McGhees personal journey of transformation, you'll discover how you too can embrace faith, release fear, and experience the fullness of life for which you were designed. Whether starting from a place of stagnation, hurt, or overwhelming confusion you can: learn to accept who you are and know that you are enough. release the guilt of your past and seize the opportunities in your present. live up to your expectations, rather than down to your circumstances. walk in faith, even when the path leads outside your comfort zone. Join Katrina on this wild and wacky adventure with God. Find out how to break free from whom you thought you had to be, and embrace the dynamic, extraordinary person God created you to be. Be empowered knowing that you are mighty, you are

strong, and you are enough! Its time to go get your more. Although sports manager Michael Morgan is attracted to his new client, Shayna Washington, he refuses to mix business and pleasure, but when she is beaten by her ex-fiancée, Michael finds that his feelings go beyond the professional. A brilliant and surprising investigation into why we date the way we do From USA Today bestselling author Helena Hunting comes the second installment in the Lakeside series, where a gutsy heroine confronts family secrets and personal struggles in the town of Pearl Lake. Teagan Firestone has always been the dutiful daughter, especially since her mom died. But as her father finally begins to move on, it's her turn to do the same. Her destination: Pearl Lake, a close-knit community with an entrepreneurial spirit and secrets of its own. One of them is Aaron Saunders, who dropped out of college to work construction for Pearl Lake's upper class. He's a mystery and has a playboy reputation--that is, until he meets Teagan. Neither one of them is looking for love, but in a town this small, it's hard not to let your heart get involved. As their romance heats up, Aaron's elusive past comes to light, and Teagan is there for him, bringing them even closer together. But when Teagan is forced to face her own demons, her inability to accept the support of friends and family threatens the life she's worked so hard to build. Can Aaron love her, even when she can't love herself? Each day we are bombarded with mixed messages and beliefs about what it means to be in a relationship. We encounter shocking statistics on divorce rates and examples on where it all goes wrong. Yet where is the focus on success? What if your relationship could be saved or enhanced based on your understanding of some simple yet powerful insights to human behaviour? Challenging the trends of society, Love on the Kitchen Table flips common relationship complaints on their heads. With a focus on success, it details one couples search to discovering the intentional efforts that make love work and better than ever. Through her creative approach, author and human behaviour coach Aleisha Coote uses the setting of the kitchen table as a powerful metaphor to illustrate key themes to creating, embracing, and nurturing a connection that lasts. Within, she explains the ten essential needs that must be met in order to keep love alive, how

to know what your lovers really thinking, and the secret to why women test their men. Filled with helpful information and practical strategies, this guide seeks to open your eyes to a new way of thinking and therefore new results. Falling for someone who doesn't want to get married is soon be the least of his concerns. While his brothers and their new wives search for who shot him, Wyatt Hunt is temporarily bedridden and completely miserable. Somehow Molly Garner's limited skills have made her the most qualified in their circle to care for Wyatt. But by the time he's healed, she's fed up with him and the whole ungrateful family. For even worse than his grumpiness were the few unguarded moments when he pulled at her heartstrings, and she has been long determined to never repeat her mother's mistakes. When alternate plans of finding her own independent life fall through, Molly volunteers to work for the Pinkertons and help investigate nearby ranch owner Oliver Hawkins. She signs on to be his housekeeper, hoping to find clues to prove his nefarious, and possibly murderous, past. Wyatt refuses to let her risk it alone and offers to act as Hawkins's new foreman. But when another Pinkerton agent gets shot, they realize Hawkins isn't the only danger. The Hunt brothers will have to band together to face all the troubles of life and love that suddenly surround them. The beloved New York Times bestselling author Making Toast and Kayak Morning returns with a powerful meditation on a universal subject: love. In The Book of Love, Roger Rosenblatt explores love in all its moods and variations—romantic love, courtship, battle, mystery, marriage, heartbreak, fury, confusion, melancholy, delirium, ecstasy; love of family, of friends; love of home, of country, of work, of writing, of solitude, of art; love of nature; love of life itself. Rosenblatt is on a quest to illuminate this elusive and essential emotion, to define this thing called love. Cleverly using lines from love songs to create a flowing ballad—as infectious and engaging as a jazz riff—he intersperses fictional vignettes that capture lovers in different situations, ages, and temperaments along with notes addressed to “you,” his wife of fifty years. “The story I have to tell is of you. Of others, too. Other people, other things. But mainly of you. It begins and ends with you. It always comes back to you.” Lively yet profound, poignant yet joyous, The Book

of Love is a triumph of intellect and imagination: a personal discourse on love that is both novel and timeless. From the New York Times bestselling author of *The Love Hypothesis* comes a new STEM-inist rom-com in which a scientist is forced to work on a project with her nemesis—with explosive results. Like an avenging, purple-haired Jedi bringing balance to the mansplained universe, Bee Königswasser lives by a simple code: What would Marie Curie do? If NASA offered her the lead on a neuroengineering project—a literal dream come true after years scraping by on the crumbs of academia—Marie would accept without hesitation. Duh. But the mother of modern physics never had to co-lead with Levi Ward. Sure, Levi is attractive in a tall, dark, and piercing-eyes kind of way. And sure, he caught her in his powerfully corded arms like a romance novel hero when she accidentally damseled in distress on her first day in the lab. But Levi made his feelings toward Bee very clear in grad school—archenemies work best employed in their own galaxies far, far away. Now, her equipment is missing, the staff is ignoring her, and Bee finds her floundering career in somewhat of a pickle. Perhaps it's her occipital cortex playing tricks on her, but Bee could swear she can see Levi softening into an ally, backing her plays, seconding her ideas...devouring her with those eyes. And the possibilities have all her neurons firing. But when it comes time to actually make a move and put her heart on the line, there's only one question that matters: What will Bee Königswasser do? "Jonah Lehrer has a lot to offer the world....The book is interesting on nearly every page....Good writers make writing look easy, but what people like Lehrer do is not easy at all." —David Brooks, *The New York Times Book Review* Science writer Jonah Lehrer explores the mysterious subject of love. Weaving together scientific studies from clinical psychologists, longitudinal studies of health and happiness, historical accounts and literary depictions, child-rearing manuals, and the language of online dating sites, Jonah Lehrer's *A Book About Love* plumbs the most mysterious, most formative, most important impulse governing our lives. Love confuses and compels us—and it can destroy and define us. It has inspired our greatest poetry, defined our societies and our beliefs, and governs our biology. From the way infants

attach to their parents, to the way we fall in love with another person, to the way some find a love for God or their pets, to the way we remember and mourn love after it ends, this book focuses on research that attempts, even in glancing ways, to deal with the long-term and the everyday. The most dangerous myth of love is that it's easy, that we fall into the feeling and then the feeling takes care of itself. While we can easily measure the dopamine that causes the initial feelings of "falling" in love, the partnerships and devotions that last decades or longer remain a mystery. This book is about that mystery. Love, Lehrer argues, is not built solely on overwhelming passion, but, fascinatingly, on a set of skills to be cultivated over a lifetime. A beautifully packaged edition of one of García Márquez's most beloved novels, with never-before-seen color illustrations by the Chilean artist Luisa Rivera and an interior design created by the author's son, Gonzalo García Barcha. In their youth, Florentino Ariza and Fermina Daza fall passionately in love. When Fermina eventually chooses to marry a wealthy, well-born doctor, Florentino is devastated, but he is a romantic. As he rises in his business career he whiles away the years in 622 affairs—yet he reserves his heart for Fermina. Her husband dies at last, and Florentino purposefully attends the funeral. Fifty years, nine months, and four days after he first declared his love for Fermina, he will do so again. People everywhere are looking for a higher perspective on love than the popular view of romance. *Loving from Your Soul - Creating Powerful Relationships*, an inspiring and unusual book by Shepherd Hoodwin, goes to the core of the issue by exploring the nature of love itself. It is a collection of discourses and counseling Hoodwin channeled from the Michael entity that views love as an eternal reality not dependent on other people or situations - it is something we can learn to access all the time through connecting directly with our soul. Michael is well-known to readers of metaphysical books. There are several Michael books in print, from the work of various channels, and most of them deal with a technical body of information called the Michael teachings. However, *Loving from Your Soul* is not a technical book. It deals with topics such as sexuality, anger, body image, loneliness, boundaries, listening, friendship, finding a mate, and

alternative lifestyles. These subjects are framed within a larger context of explorations such as "Loving Yourself," "Being at Your Source," "Different Ways of Loving," "Oneness," "Communicating Your Whole Being," and "Expanding Love." According to *Loving from Your Soul*, "Love is a unified experience that does not cut off any portion of your reality. When you are loving yourself, you are loving others. When you are loving others, you are loving yourself. When you are having joy in what you are doing, you are giving joy to the world - there is no separation between you and the world." "What does it mean to love and to be loved? People everywhere are seeking a higher perspective than the popular view of romance. This outstanding book goes to the core of the issue by illuminating the nature of love itself as a reality that is always available. Topics include sexuality, anger, body image, loneliness, boundaries, listening, and finding a mate, framed within a larger context. With vibrant clarity, it will have a resounding impact on the way we look at love from now on." -Sheila Andersen, *Leading Edge Review* "This book positively radiates love. There is genuine wisdom here." -Key Carey, author of *The Starseed Transmissions* *Loving from Your Soul* is quite beautiful. Michael comes through loud and clear. I'm delighted that Michael is around." -Ram Dass, author of *How Can I Help?* and *Be Here Now* "This is channeling at its best. *Loving from Your Soul* is more than just excellent-it captures a lovely combination of compassion and intellectual clarity." -John Friedlander, author of *Psychic Psychology* "Loving from Your Soul is superb and brings great joy. It touches the profound depths of who we are. It is far and away the best book on love I have ever read, exploring how we can love from the deepest and strongest part of ourselves. I experienced tears of recognition as I read it." -Mayo Gray, author of *The Savage Season* "The truths emerge powerfully in this loving, compassionate material. A wonderful experience." -Catalyst

The great scholar, W. E. B. Du Bois, once wrote

about the Problem of race in America, and what he called “Double Consciousness,” a sensitivity that every African American possesses in order to survive. Since childhood, Ailey Pearl Garfield has understood Du Bois’s words all too well. Bearing the names of two formidable Black Americans—the revered choreographer Alvin Ailey and her great grandmother Pearl, the descendant of enslaved Georgians and tenant farmers—Ailey carries Du Bois’s Problem on her shoulders. Ailey is reared in the north in the City but spends summers in the small Georgia town of Chicasetta, where her mother’s family has lived since their ancestors arrived from Africa in bondage. From an early age, Ailey fights a battle for belonging that’s made all the more difficult by a hovering trauma, as well as the whispers of women—her mother, Belle, her sister, Lydia, and a maternal line reaching back two centuries—that urge Ailey to succeed in their stead. To come to terms with her own identity, Ailey embarks on a journey through her family’s past, uncovering the shocking tales of generations of ancestors—Indigenous, Black, and white—in the deep South. In doing so Ailey must learn to embrace her full heritage, a legacy of oppression and resistance, bondage and independence, cruelty and resilience that is the story—and the song—of America itself. In this fascinating history of alcohol in postwar American culture, Lori Rotskoff draws on short stories, advertisements, medical writings, and Hollywood films to investigate how gender norms and ideologies of marriage intersected with scientific and popular ideas about drinking and alcoholism. After the repeal of Prohibition in 1933, recreational drinking became increasingly accepted among white, suburban, middle-class men and women. But excessive or habitual drinking plagued many families. How did people view the “problem drinkers” in their midst? How did husbands and wives learn to cope within an “alcoholic marriage”? And how was drinking linked to broader social concerns during the Great Depression, World War II, and the Cold War era? By the 1950s, Rotskoff explains, mental health experts, movie producers, and members of self-help groups like Alcoholics Anonymous and Al-Anon helped bring about a shift in the public perception of alcoholism from “sin” to “sickness.” Yet alcoholism was also viewed as a family problem that expressed gender-

role failure for both women and men. On the silver screen (in movies such as *The Lost Weekend* and *The Best Years of Our Lives*) and on the printed page (in stories by such writers as John Cheever), in hospitals and at Twelve Step meetings, chronic drunkenness became one of the most pressing public health issues of the day. Shedding new light on the history of gender, marriage, and family life from the 1920s through the 1960s, this innovative book also opens new perspectives on the history of leisure and class affiliation, attitudes toward consumerism and addiction, and the development of a therapeutic culture. *A Loving on the Edge* novel perfect for fans of *Fifty Shades of Grey*. Three lovers really click in the latest from the New York Times bestselling author of *Call on Me*—Cora has an amazing sex life. She’s beautiful, daring, and the most popular submissive in Hayven. Too bad none of it’s real... IT specialist Cora Benning has figured out the key to her formerly disastrous love life—make it virtual. In the online world of Hayven, she’s free of her geek girl image and can indulge her most private fantasies with a sexy, mysterious master without anyone in her life discovering her secrets. Until her information is hacked and she finds herself working to fix the breach under two very powerful men—one who seems all too familiar... Best friends and business partners Ren Muroya and Hayes Fox were once revered dominants. Then Hayes was wrongfully sent to prison and everything changed. Ren wants to get back to who they were. Hayes can’t risk it. But when they discover the new IT specialist is their online fascination, and that she’s never felt a dominant’s touch, the temptation to turn virtual into reality becomes all too great... A New York Times bestseller and enduring classic, *All About Love* is the acclaimed first volume in feminist icon bell hooks’ “Love Song to the Nation” trilogy. *All About Love* reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. “The word ‘love’ is most often defined as a noun, yet we would all love better if we used it as a verb,” writes bell hooks as she comes out fighting and on fire in *All About Love*. Here, at her most provocative and intensely personal, renowned scholar,

cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The Utne Reader declared bell hooks one of the "100 Visionaries Who Can Change Your Life." All About Love is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better. The Instant New York Times Bestseller and TikTok Sensation! As seen on THE VIEW! A BuzzFeed Best Summer Read of 2021 When a fake relationship between scientists meets the irresistible force of attraction, it throws one woman's carefully calculated theories on love into chaos. As a third-year Ph.D. candidate, Olive Smith doesn't believe in lasting romantic relationships--but her best friend does, and that's what got her into this situation. Convincing Anh that Olive is dating and well on her way to a happily ever after was always going to take more than hand-wavy Jedi mind tricks: Scientists require proof. So, like any self-respecting biologist, Olive panics and kisses the first man she sees. That man is none other than Adam Carlsen, a young hotshot professor--and well-known ass. Which is why Olive is positively floored when Stanford's reigning lab tyrant agrees to keep her charade a secret and be her fake boyfriend. But when a big science conference goes haywire, putting Olive's career on the Bunsen burner, Adam surprises her again with his unyielding support and even more unyielding...six-pack abs. Suddenly their little experiment feels dangerously close to combustion. And Olive discovers that the only thing more complicated than a hypothesis on love is putting her own heart under the microscope. "With her debut erotic romance CRASH INTO YOU, Roni Loren has penned a sexy, sizzling tale that is sure to have readers begging for more!" -Jo Davis, author of I Spy a Dark Obsession Brynn LeBreck has dedicated herself to helping women in crisis, but she never imagined

how personal her work would get, or where it would take her. Her younger sister is missing, suspected to be hiding from cops and criminals alike at a highly secretive BDSM retreat--a place where the elite escape to play out their most extreme sexual fantasies. To find her, Brynn must go undercover as a sexual submissive. Unfortunately, The Ranch is invitation only. And the one master who can get her in is from the darkest corner of Brynn's past. Brynn knows what attorney Reid Jamison is like once stripped of his conservative suit and tie. Years ago she left herself vulnerable only to have him crush her heart. Now she needs him again. Back on top. And he's all too willing to engage. But as their primal desires and old wounds are exposed, the sexual games escalate--and so does the danger. Their hearts aren't the only things at risk. Someone else is watching, playing by his own rules. And his game could be murder. Here is a fresh look at the age-old role of parenting. Loving Our Kids on Purpose brings the principles of the Kingdom of God and revival into our strategy as parents. 2 Corinthians 3:17 tells us that Where the Spirit of the Lord is there is freedom. Most parenting approaches train children to learn to accept being controlled by well meaning parents and adults. Unfortunately, God is not going to control us as we gain independence from our parents. We must learn to control ourselves. This book will teach parents to train their children to manage their freedoms and protect their important heart to heart relationships. NEW YORK TIMES BESTSELLER • A powerful memoir of a love that leads two people to find a courageous way to part—and a woman's struggle to go forward in the face of loss—that “enriches the reader's life with urgency and gratitude” (The Washington Post) “A pleasure to read . . . Rarely has a memoir about death been so full of life. . . . Bloom has a talent for mixing the prosaic and profound, the slapstick and the serious.”—USA Today ONE OF THE BEST BOOKS OF THE YEAR: NPR Amy Bloom began to notice changes in her husband, Brian: He retired early from a new job he loved; he withdrew from close friendships; he talked mostly about the past. Suddenly, it seemed there was a glass wall between them, and their long walks and talks stopped. Their world was altered forever when an MRI confirmed what they could no longer ignore: Brian had Alzheimer's

disease. Forced to confront the truth of the diagnosis and its impact on the future he had envisioned, Brian was determined to die on his feet, not live on his knees. Supporting each other in their last journey together, Brian and Amy made the unimaginably difficult and painful decision to go to Dignitas, an organization based in Switzerland that empowers a person to end their own life with dignity and peace. In this heartbreaking and surprising memoir, Bloom sheds light on a part of life we so often shy away from discussing—its ending. Written in Bloom's captivating, insightful voice and with her trademark wit and candor, *In Love* is an unforgettable portrait of a beautiful marriage, and a boundary-defying love. Welcome to the Snow and Ice Games where the competition is fierce and the romance is HOT in the new novel *Love on the Tracks* by USA Today bestselling Tamsen Parker. Rowan Andrews is the unexpected darling of the Denver Snow and Ice Games. Luge has never captured the American public's imagination as much as figure skating or even hockey, but her outsized personality and dare-devil ways have got everyone's eyes glued to the track. Including a certain chart-topping heartthrob. Zane Rivera is the lead singer of License to Game, the hottest band in the country. When Zane finds out Rowan Andrews has had some complimentary things to say about him, he arranges to meet her while he's in Denver enjoying the games. And when a photo of him kissing Rowan on the cheek goes viral, they both see the advantages of faking a relationship for the publicity. After Rowan's injured in her final race, their relationship starts to feel all too real to Zane. But is this rock star ready to fall in love? Humor and romance abound in this tale of a Texas Ranger tracking a gang while undercover as a linesman, and the alluring birder watching him. Drama unfolds between the servants and masters of an aristocratic Irish household in this "classic upstairs-downstairs story" set during World War II—for fans of *Downton Abbey* (Time) The war has led to a scarcity of experienced staff at the vast hereditary house of an aristocratic Anglo-Irish family. When Eldon the butler dies, Raunce—the head footman—is assigned his job. The other servants are taken aback by this irregular promotion, but lovely young Edith, a recent hire, is quite attracted to the older Raunce and a flirtation

begins. And it is Edith who discovers Mrs. Tennant's daughter-in-law, whose husband is fighting at the front, in bed with a neighbor one morning, scandalizing the whole household. When the Tennants depart for England, Raunce is left in charge of the house and struggles to control its disputatious inhabitants as well as to secure the love of Edith, especially after a precious family jewel disappears. In *Loving*, Henry Green explores the deeply precarious nature of ordinary life against the background of the larger world at war. Romance scams are devoid of love and emotion. Many people get to experience them the hard way and end up being victims of scammers; they may carry their guilt for the rest of their lives. In *Love on the Line*, Elina Juusola, ideas historian, committed feminist, and former researcher of pornography and violence against women, reflects on how romance scams relate to the ever-expanding world of pornography and the romance-book industry. Learn her story and know that anyone can be scammed. Become educated about romance scams, and learn how to recover from the ordeal with innovative flair by transmuting your negative emotions into a positive experience. It's the person she least expected who provides a much-needed tune up of her life... For Dr. Irene Johnson-Moore perception is everything. After living most of her life behind facades built from other people's expectations, she's ready for a change. At least that's what she tells herself. But old habits die hard. And when her car breaks down, forcing her to deal with the town mechanic—a woman whose bluntness always irked Irene—her resolve is instantly put to the test. Remi Martin prides herself on being unapologetically honest. Brutally so at times. No good ever came from pretending to be someone or something she's not. When she responds to a call from a stranded motorist, she never imagined she'd be towing the self-proclaimed "town princess" into her world. Irene Johnson embodies everything Remi tries to avoid, yet she can't seem to shake her one-time adversary. However, the more time they spend together, the more feelings begin to idle under the surface. But before their relationship can rev to life, they must release their preconceived notions or things could come to a screeching halt. From William C. Morris Award Finalist S.K. Ali comes an unforgettable

romance that is part *The Sun Is Also a Star* mixed with *Anna and the French Kiss*, following two Muslim teens who meet during a spring break trip. A marvel: something you find amazing. Even ordinary-amazing. Like potatoes—because they make French fries happen. Like the perfect fries Adam and his mom used to make together. An oddity: whatever gives you pause. Like the fact that there are hateful people in the world. Like Zayneb’s teacher, who won’t stop reminding the class how “bad” Muslims are. But Zayneb, the only Muslim in class, isn’t bad. She’s angry. When she gets suspended for confronting her teacher, and he begins investigating her activist friends, Zayneb heads to her aunt’s house in Doha, Qatar, for an early start to spring break. Fueled by the guilt of getting her friends in trouble, she resolves to try out a newer, “nicer” version of herself in a place where no one knows her. Then her path crosses with Adam’s. Since he got diagnosed with multiple sclerosis in November, Adam’s stopped going to classes, intent, instead, on perfecting the making of things. Intent on keeping the memory of his mom alive for his little sister. Adam’s also intent on keeping his diagnosis a secret from his grieving father. Alone, Adam and Zayneb are playing roles for others, keeping their real thoughts locked away in their

journals. Until a marvel and an oddity occurs... Marvel: Adam and Zayneb meeting. Oddity: Adam and Zayneb meeting. Keeping your love on. It's a hard thing to do. Sometimes it's the hardest thing to do. But if you want to build healthy relationships with God and others, learning to keep your love on is non-negotiable. Adults and children alike thrive in healthy relationships where it is safe to love and be loved, to know and be known. Yet for many, relationships are anything but safe, loving, or intimate. They are defined by anxiety, manipulation, control, and conflict. The reason is that most people have never been trained to be powerful enough to keep their love on in the face of mistakes, pain, and fear. *Keep Your Love On* reveals the higher, Jesus-focused standard defined by mature love--love that stays 'on' no matter what. Danny Silk's practical examples and poignant stories will leave you with the power to draw healthy boundaries, communicate in love, and ultimately protect your connections so you can love against all odds. As a result, your relationships will be radically transformed for eternity. When you learn to keep your love on, you become like Jesus. -- Danny Silk
